NEWEST OF THE SIDE SHOWS—CAFE LA DANCE

**F**IRST EVENT of the annual year, and the biggest of all C. B. C. indoor spectacles, is the Spring Carnival. The first Friday night in March found the crowd gathering in the gymnasium, commercial rooms, activity rooms and all the halls. Before the evening was over there had been more than two thousand students, faculty members and friends sporting themselves at the concessions and enjoying themselves in the various side shows.

Of course, the Follies was the big event of the evening, but the Family Album was a close second and the newest of all the shows, making its appearance for the first time—Cafe La Dance—found its hundreds of followers who demanded an extra show.

The Bathing Beauties, with the vote for the most beautiful, were a big attraction. Maxine Nelson, sixth from the left in the picture, was first place winner, while Miss Donna Stevenson, second from the right, was the runner-up. The beauties came from each of the state clubs and Miss Nelson was "Miss Iowa" and Miss Stevenson was "Miss Nebraska-Dakota."

Final event of the evening, staged on the floor of the gymnasium in the midst of all the concessions was the athletic show. The concessions, each club furnishing a fun house for the evening, were arranged on the gym floor. Pictures of these are in red on the opposite page.

## TRACK and FIELD MEET

EVERYONE is out and active when "Pop" Lail calls a holiday for the annual State Club track meet. This year Cosmo walked off with the honors, scoring  $46\frac{1}{2}$  points, but the winners did not furnish either high point scorer or the only record maker of the day.

The girls won for Cosmo, for they ran and jumped for a total of 28 points while the boys worked hard to garner  $18\frac{1}{2}$  points. Walter Anderson of Illinois was the high scorer among the boys and was the one who turned in the record equaling performance—an 8.6 second high hurdle race.

Most interest from the first to the last of the meet was in the contest for high girl honors. Margaret Miller of South Missouri would lead in points for awhile and then more results would come in and Gwindola Baker of Cosmo would take over the lead. Finally, with the relay figured in, Margaret was  $\frac{3}{4}$  point ahead of Gwindola.

Pictured here are the winners in action. Anderson is ready to breast the tape in his record run of the high hurdles at the top. Just below, right, Gwindola Baker wins the 100-yard dash. Beside her Margaret Miller leaps to first in the broad jump. Vorbeck can be seen beating Sharples to the finish in a close century race for the boys, and Pottorff, arms over the finish line, is winning the mile. It is just before the start of the girls' relay that is caught by the camera at the bottom.

Charles Nordstrom of Iowa was second high point boy and Vorbeck of Northwest Missouri was third.

**O**UTSTANDING ACHIEVEMENT of the entire track season was the performance of the mile relay team in the Inter-State Conference meet held at Lexington. Charles Nordstrom, Donald Kays, David Sidwell and Bill Vorbeck teamed together for the first and only time during the year, ran away from all opposition and set a new mark of 3:31.4 that is expected to stand the tests of several coming years.

For this feat, these four boys were awarded the first track sweaters ever given to Duck athletes. Along with them were honored seven other cinder flyers, all of whom received the "C" given for track and field accomplishments.

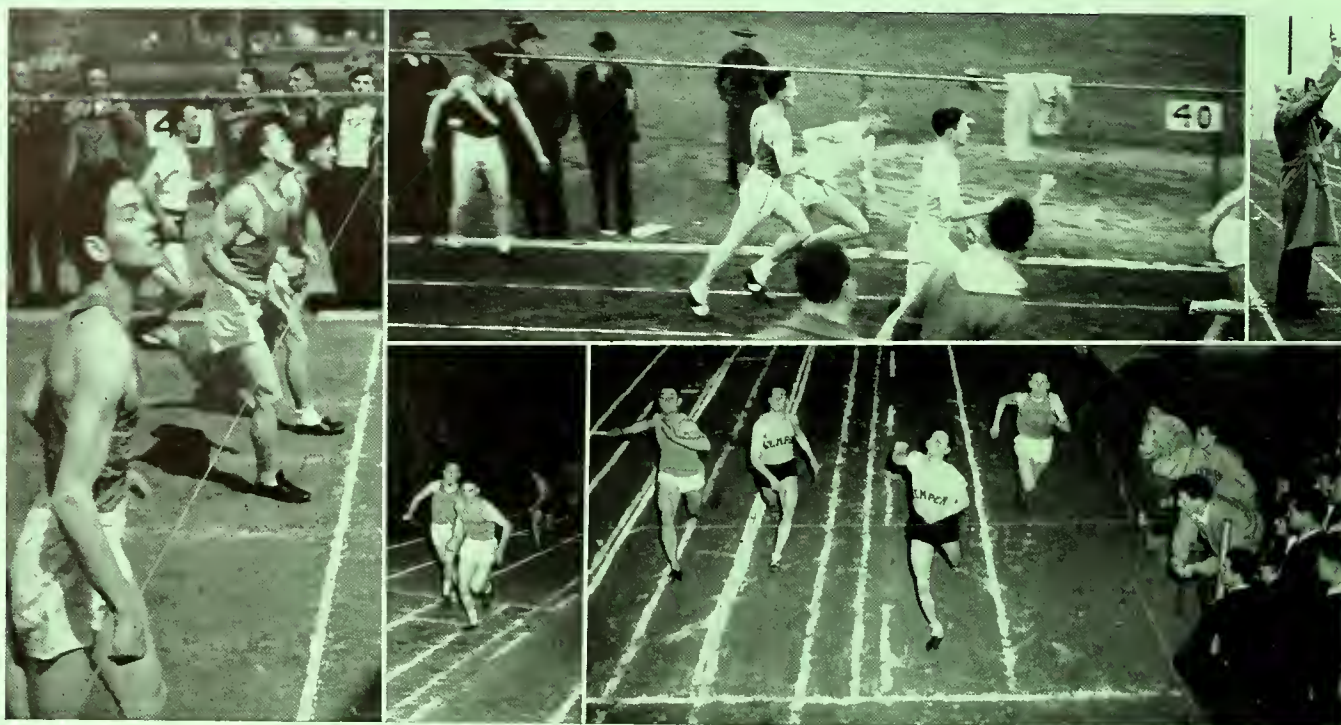

The tracksters entered eight meets, two of them indoors, and came out with four firsts, a second, a third, a fourth and a seventh. There were but two dual meets.

Ducks Make Spikes Fly Indoors and Outdoors

**T**HE TRACK TEAM was loaded with sprinters, it seems, for the century and the 220. Bill Vorbeck and Donald Kays both lettered as speed demons while Bob Sharples failed to letter only because he left school before the end of the season.

In the picture at the left above Vorbeck, foreground, Kays, next in line and a St. Joseph Junior College boy are breasting the tape together in one of the triangular meets at home.

Passing the baton in the top picture are Sidwell, dark sweater, and Dale Gunn. At this point Ducks were behind, but they won the race. The lower panel baton passers are Kays, in back, and Welty at the state indoor meet.

Sharples is coming in the right lane to finish fourth in the Missouri State Junior College Indoor Meet at Columbia. He won his heat earlier in the day, just as the other three boys had done against a large field.

**T**RACK LETTERMEN came from six states. Missouri furnished four, Iowa two and South Dakota, Mississippi, Colorado and Kansas one each.

Outstanding performer was Charles Nordstrom of Iowa, the high pointer of the squad who lost only one race during the entire season, taking the Inter-State Conference half mile run in easy stride and running on the record-setting mile relay team. Charles ran four 440-yard races and seven 880-yard runs.

Most versatile of the group was Jack Dowell. He made points during various meets in the discus, javelin, pole vault, high jump and broad jump. Walker was nearly as well-rounded, earning points in the low hurdles, broad jump, javelin and high jump. His throw in the conference meet broke the javelin record, but there were two others that were better.

Harris, Jorgensen and Hernandez were regulars who could always be counted upon to place in their events—Harris in the high jump, Hernandez in the shot put and Jorgensen in the pole vault.

## AND COMMERCIAL CONTESTS

**A** NNUALLY, in the spring, C. B. C. is host to several hundred athletes in Missouri's only open competition high school relays. This year's event was the ninth and Normandy high school of St. Louis was the winner.

Normandy had boys taking high point honors and setting two new records. Dunford won the 100, was second in both the low hurdles and broad jump and third in the 220. This, with running on the winning half mile relay team, made him the biggest scorer. Aussieker, tossing the discus 146 feet, set a new meet and state record while Schwegler jumped 22 feet, 2¼ inches to a new mark.

# President

ALLEN MOORE II

**P**RESIDENT of C. B. C., faithful friend of all the students, a man to meet with young people in their school work and their social activities, is Allen Moore II, who this year is in his thirty-sixth year of guiding America's largest business college.

Almost daily President Moore is talking with various students and parents in his office. He knows by name a vast majority of the more than three thousand who attend classes. Few social events find him absent, he is usually in the thick of the entertainment, having fun and seeing that the others, too, are enjoying themselves.

Away from the school President Moore is also popular. He has served during the year as the District Governor for the 134th Rotary District, is on the Chillicothe Board of Education and is active in civic affairs.

Wherever President Moore goes, on business or pleasure, he carries with him a list of students who live along his route. He usually manages to meet a large number of these whose names he has, enjoys many dinners with groups of alumni.

ROY MOORE

**V**ICE-PRESIDENT Roy Moore, who took over the huge task of being manager of all C. B. C. property at the same time his brother, Allen II, became president of the school, is a man who is all business during business hours and lots of fun when it is time to play.

As vice-president he has active management of all the college buildings, grounds and farms. From early morning until late at night he is busy. But the athletic events and social gatherings are important enough to slow him down for a time. He is at every football and basketball game, every track meet and almost all of the dances and parties.

Occasionally, just to keep in practice, Mr. Moore will pick up his trombone and join the orchestra, or will lead the singing when a group is gathered about a piano. He is a home man when he gets the opportunity, likes to meet alumni at Dux Club meetings.

Two children of Mr. Moore are now associated with the school. Ralph is second vice-president, Maurine is in charge of banks and offices.

# Dean and Executive Secretary

LELAND S. WOOD

DEAN P. E. NEWELL

EXECUTIVE SECRETARY, assistant to President Moore, is Leland S. Wood. He is head of the publicity department of the college, issues the catalog, handles a multitude of correspondence and is the contact man for the college advertising program.

STUDENT COUNSELOR and Dean of the College, P. E. Newell heads the large staff of teachers, arranges the curriculum, counsels with students and has charge of all the records which students make. His work is never over, but he finds time on the side to sponsor the Oklahoma Club, a most active organization. This year he has become better known through use of a loud speaker system which has been installed. From his office he can talk to any classroom.

ASSISTANTS TO THE DEAN, those who do the work of filing all of the records, keeping up with schedule changes and handling the many duties supplementary to the work of the Dean, are Mrs. Esther McDonough and Mrs. Imogene Rottler. They always have a young graduate to help them and during the past year Miss Charlotte Murrell, Miss Mary Lee Parker and Miss Lorene Bennett have held this position.

MAX S. PHILLIPS

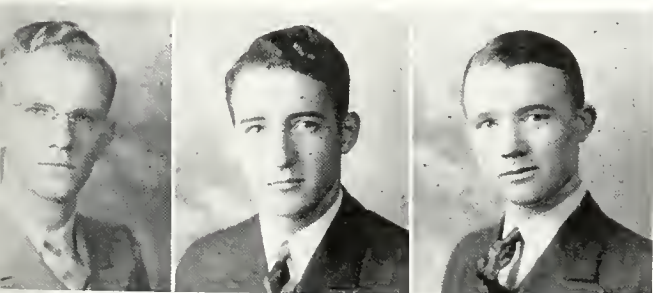

# *Treasurer and Financial Secretary*

FINANCIAL SECRETARY, Max S. Phillips, also acts as the Registrar of the college. When not keeping the business books of the school, those of taxes, insurance, salary and expenses, he is enrolling new students or helping Mrs. Anna S. Hawkins as sponsor of the Kansas Club.

MISS EDNA BRYANT

TREASURER, and bookkeeper supreme, is Miss Edna Bryant, who for many years has kept student records straight. She has an account in her books for every student, additional accounts for those students who eat in the dining hall or cafeteria, room in the dormitories or work for part of their tuition or board. It is a complex system of books that she has in front of her every day, but students have found her competent, courteous and helpful.

Francis Morgret

Joe Causey

Troy Gist

ASSISTANTS to Miss Bryant and Mr. Phillips during the year helping in the keeping of the various accounts, have been Troy Gist, Francis Morgret and Joe Causey. They worked separately, Francis following Troy in the position and then following him to Washington, D. C., leaving the post for Joe, who at present is keeping the social security files and doing the banking.

# Alumni Secretary and Correspondence Office

MISS NELLIE VOELKER

MRS. ANNA S. HAWKINS

HEAD OF CORRESPONDENCE OFFICE, opener of the college mail, chief of a staff of stenographers who have charge of the mailing of more than a half million pieces of mail each year. That sums up the work of Miss Nellie Voelker, who for several years has been doing a job that grows bigger as the college grows. Foreign correspondence has been large this year to make work more interesting.

ALUMNI SECRETARY, Mrs. Anna S. Hawkins, is known by every student old and new, is contact person between the school and more than 90,000 alumni in forty-eight states and a dozen foreign countries. Mrs. Hawkins keeps in touch with the "grads" all the time, helps Dux Club officers to maintain contacts and interests in the alumni organizations in Washington, D. C., Chicago, Tulsa, Denver, Kansas City, St. Louis, Columbia, Mo., Mexico, Mo., and Wichita, Kans., as well as in many other cities where the old grads want to get together but have never started a club. She sponsors the Kansas State Club.

ASSISTANTS to Miss Voelker and Mrs. Hawkins are all former students. Mrs. Lucille Baldwin is the assistant head of the Correspondence Office and she co-operates constantly with Miss Voelker in the mailing task. Miss Jewell Ragan and Miss Lillie Richardson have been assistants to Mrs. Hawkins. Others who have worked in the Correspondence Office during the year include: Misses Marjorie Moorman, Shirley Greenstreet, Ruby Baldwin, Christine Hayes, Ann Spurlock, Eudora Parker, Roberta Omev and Virginia Huey.

# *Employment Manager and Credit Manager*

CREDIT MANAGER, Wm. W. Townsend, plays an important role in C. B. C.'s note payment plan that allows students to make a note for part of their school costs and then retire the note from earnings after being employed. He receives the payments and is in charge of collections. Out of the office, he is co-sponsor of the Cosmo Club and the College Movie Photographer.

EMPLOYMENT MANAGER, the only one the college has ever had, is E. M. Roberts, who has charge of helping students find employment as they leave school and assisting them in seeking promotions after being employed. He makes good the college's promise to complete course graduates that they will be employed, and during the past year his only problem has been in getting enough students to take the positions he has for them to fill. Annually Mr. Roberts travels far and wide, visiting employers in many large cities of the Mid-West and South, offering to assist them in securing office help.

E. M. ROBERTS

ASSISTANTS in the Credit Office are Mrs. Florence Hurd and Miss Wilma McCartney, both of whom have worked with Mr. Townsend throughout the year. They serve as file clerks and stenographers, handle all of the minor office duties. Miss Estelle Wyman is secretary to Mr. Roberts at this time, having taken the place of Miss Lottie Woolley who resigned in the summer because of illness.

T. E. LAIL

PRINCIPAL of the Commercial Department, and longest-time employee of the school—T. E. Lail. He started with the college in 1901, shortly after receiving his degree from Chillicothe Normal School, predecessor to C. B. C. Some of his bookkeeping sets are used in the department now, but he teaches only salesmanship, sales letters, advertising, commercial and parliamentary law, now, in addition to being head of the department and Athletic Director.

TEACHERS in the Commercial Department pictured on this page include J. P. Newell, first set in bookkeeping and rapid calculation; Carl Bauer, penmanship, arithmetic and the second set; Mrs. Lena Ruddy Smithson, English, letter writing and spelling; Miss Clara Welch, penmanship, arithmetic and second set in bookkeeping; Miss Maurine Moore, instructor of banks and offices, penmanship and rapid calculation; Miss Violette Fennell, letter writing and English.

ASSISTANT PRINCIPAL of the department is J. D. Rice, public accountant and instructor of fourth set of bookkeeping, teacher of higher accounting. He is also teacher of penmanship, head of the Pen Art Department. With Miss Finnell, and Mrs. Farrar he is a co-sponsor of the Illinois Club, is one of the city's outstanding leaders. His most pleasant duty each year is in arranging for the Homecoming Parade and leading it while astride his favorite horse.

J. D. RICE

TEACHERS who also instruct in this big department include Mrs. Hildred Fifer, English and letter writing; Mrs. Elizabeth Coffman, English and letter writing; Lee S. White, arithmetic and spelling; M. A. Smith, penmanship, arithmetic and banks and offices, and Mort Cathey, penmanship, arithmetic and third set in bookkeeping. Mrs. Frances Coker Potts is head of the Personality Department and in that capacity she has classes and personal interviews.

MISS NORA NEWMAN

MACHINES, when there are more than five hundred in daily use, constitute a problem. To keep them straight, to be certain that each student has a machine he or she can use regularly, Miss Mary Angie Douglass works daily to assist the teachers and students. She is co-sponsor of the Kentucky-Tennessee Club.

PRINCIPAL of the Typing Department, and instructor of the intermediate and advanced students is Miss Nora Newman. She has classes of several hundred students every period of the day and each afternoon conducts special classes in speed drills. Students go to classes after they have attained a 30-word-a-minute record, stay so long as they are in school. A 50-word record is required for a diploma, but a vast majority of the students reach a higher speed than half-a-hundred words a minute under Miss Newman's guidance. She heads the Iowa Club.

RECORDS, too, are highly important in the Typing Department, and to keep all of them straight for the 3,000 and more students who have been in the classes this year, Mrs. Eva Roberts has a complete system of files and records. Extra-curricular activities include sponsoring the South Missouri Club.

ASSISTANT PRINCIPAL of the Typing Department, Mrs. Katherine Nunn, has been in two departments this year. For a time she retired from teaching the beginning typing students and taught shorthand. During that period Mrs. Joanna Townsend was assistant principal of the typing department. In the fall Mrs. Nunn resumed her former post and since has again been teaching the newcomers how to use typewriters. The club she helps to lead is Nebraska-Dakota, with Mrs. Frances C. MISS LOUISE SEIDEL

PRINCIPAL of the Shorthand Department is one of C.B.C.'s busy persons, Miss Louise Seidel. She is teacher of all the advanced dictation classes, head of a department that has grown to its largest proportions during the past year. Too, she is sponsor of the Cosmo Club, teacher of one of the city's Red Cross classes—composed of C. B. C. students and teachers, local president of the Business and Professional Women's Club and recording secretary for the state B. & P. W. She helped organize the drama club, known as Delta Tau, this fall, and with Mr. Walker, sponsors the group.

TEACHERS—Mrs. Lena Farrar gives dictation each day to several classes of advanced shorthand students, serves on the side as sponsor of the Illinois Club. Miss Mabel Grace teaches beginning shorthand and is sponsor of the South Missouri Club. Both teachers have helped greatly in the quickening of teaching to send students to important defense jobs.

ASSISTANT PRINCIPAL of the Shorthand Department is Miss Avonelle Venable, teacher of several beginning shorthand classes. She assists Miss Seidel in the managing of the growing division of the school, works in close contact with other teachers to improve methods and vocabularies. During the past year the most important addition to the department has been the teaching of many new words and phrases that are common to the navy, army and to aviation. These have made students better prepared to go into important defense work. Miss Venable sponsors the Northeast Missouri Club.

MISS AVONELLE VENABLE

MISS IMOGENE WOOLF    GEORGE WALKER, JR.

TEACHERS—Miss Imogene Woolf and George Walker, Jr., are other beginning shorthand teachers. They take the new students, give them the foundation knowledge to dictation and send them to the other teachers. Miss Woolf co-sponsors the Northeast Missouri Club, while Mr. Walker co-sponsors the Alabama-Mississippi Club.

# Telegraph Department

IRA D. SUMMERS, Principal

Mr. and Mrs. Ira D. Summers head the Telegraphy Department, teach new students how to operate the key and teach advanced students to specialize either in Western Union or railroad telegraphy. The department is built to provide as near to actual employment conditions as possible, keys and receivers are built just like those used in the telegraph offices or railroad stations. The Wabash railroad line is connected to the classroom so that students may take actual messages in practice. Allied subjects that are necessary for telegraphy students also are taught in the department, subjects like depot accounting, station management, etc.

A group of able assistants help Mr. and Mrs. Summers each day.

Mrs. Ira D. Summers and the assistants: boys, top to bottom—Louis Ault, Oba Davis, Galen Parsons; girls—Paula Hursh, left; Rosana Frattarelli, right.

# Pen Art Department

J. D. RICE, Principal

One of America's most able penmen, recognized by the government as a handwriting expert, that is J. D. Rice, principal of the Pen Art Department. Mr. Rice has long been spoken of in penman circles as one of the outstanding men in the field. That he has been able to teach others the work is evidenced by the fact that several former students hold important penman positions and most C. B. C. graduates are distinctive for their good handwriting.

The Pen Art Department students get much practice during the year on large and small work. They make the signs for Homecoming, some of which are shown in the accompanying picture, make other signs the year around for various school and public activities. They do special lettering of cards, plaques and similar printed matter that takes exacting, precision work with pen and ink.

All types of pens and brushes are used in Pen Art, students go out with a well-rounded knowledge that includes everything from intricate designing to large placard lettering.

# *Machine Bookkeeping*

MRS. RUTH LAIL, Principal

Mrs. Ruth Lail is the principal of the largest Machine Bookkeeping Department in any school in America. She presides over students as they learn to operate a wide variety of machines that are being used more and more each week by American businesses, large and small.

The assortment of machines found in Mrs. Lail's department is so wide that students can practice there and go into government or private employment and not be strangers to many machines. Some of the most used equipment includes: Burroughs Posting and Burroughs Adding Machines, Monroe Calculators, Comptometers, Elliott Fisher Billing and Bookkeeping Machines, Underwood Fanfold Billing Machines, Sundstrand Adding Machines, Burroughs and Marchant Calculators.

Students study the use of every type of machine in the department, have a schedule of billing and bookkeeping that gives them sufficient practice on each so that they can gain speed and efficiency for all types of machine work.

# *Civil Service Department*

J. P. NEWELL, Principal

Perhaps the most important department in C. B.C., so far as the national preparedness and national defense programs are concerned, is the Civil Service Department.

J. P. Newell presides over this department as principal and each day he meets with a large class of young men and women who are planning to take examinations for the lucrative civil service positions in Washington, D. C., or elsewhere.

Most of the more than 600 former C. B. C. students who are now employed in Washington, D. C., have been in Mr. Newell's classes or have had conferences with him concerning civil service.

The class periods are given over to study of the departments, civil service status and to the type of material that will be asked of students on the examinations.

More C. B. C. students have taken civil service examinations, right in their own classrooms, and more have taken appointments, during 1941-42, than ever before.

HOUSEMOTHERS of the three dormitories for girls have a big task in helping the more than two hundred girls who live with them. Mrs. Lucile Pierce has the largest number of girls in Minerva Hall, Mrs. Leah Powell the second largest group in Dryden Hall, and Mrs. Lela Bennett, the smallest, her house being Vincent Hall that opened in August of 1941 to accommodate the growing crowd of coeds.

W. S. FAVER has long been at the helm of the upkeep of the college and in charge of the boarding department. He is the buyer of all of the supplies for the maintenance, boarding and dormitory departments. He keeps a large number of work students in jobs the year around and supervises the care and upkeep of all the college buildings. He holds the distinction of being the person who started beautifying the campus and to him goes the credit for the beautiful campus now at the Duck Pond. He was first superintendent of Empire, then instructor in telegraphy, finally taking the post he now holds.

RECREATION superintendent at Empire Hall for the last several months of the year has been Frank Kalinowsky. He has conducted several parties for the boys and has kept up a schedule of entertainment in the recreation room.

RALPH L. MOORE, Jr., grandson of the founder of C. B. C. and son of Vice-President Roy Moore, was made Second Vice-President of the college during the year to run the active management of the school into the third generation of the same family. Ralph is assistant to Mr. Faver and has charge of the cafeteria which was installed during the Christmas holidays to replace the cafe. Assisting in the buying and the management of the boarding and the dormitories is no small task, but Ralph still finds time to give his favorite organization about the school, the C. B. C. marching band. He is assistant to Mr. Dillinger in directing the band.

RECREATION superintendent of Vincent Hall until it was closed and given to the girls, and then head of recreation at Empire Hall, James Watson proved his ability at keeping boys entertained during their idle moments.

# Model Office

MISS FRANCES OTT

MISS ALTHA VAN HOOZER

SUPERVISOR of Model Office, Miss Altha Van Hoozer, was ill almost the entire school year and in her place, Miss Frances Ott has had charge of the office training division of the school. To this department all stenographic and complete course students go to spend their last six weeks in school. Under the leadership of Miss Ott they have been stenographers to teachers and administrators, have learned to operate the Dictaphone and Ediphone machines, to do filing and mimeograph work. So complete is the period of Model Office that students leaving there can claim six weeks of actual office experience.

DICTAPHONE-EDIPHONE instructor is Mrs. Virginia Chandler who succeeded her sister, Miss Marie Newell, during the latter part of the summer. In special classes they teach the operation of both types of dictating machines and also teach filing.

MISS  
MARIE NEWELL

MRS.  
VIRGINIA CHANDLER

# Special Correspondent

Mrs. Elizabeth Coffman is the college Special Correspondent, formerly she taught English. She corresponds with parents, ministers, high school principals and others in the hometowns of students who are interested in the progress of student friends. She tells them of student progress, activities and leadership.

Preceding Mrs. Coffman in this work was Miss Edith Holmes who was forced to resign because of illness.

## Multigraph Department

College printer, operator of three multigraph machines that turn out nearly a million copies of printed matter each year, is Miss Beulah Lemon. She prints the letters that go out from the college to prospective students during the year and various other matter that needs to have a multiple of copies.

## Book Store

Mrs. Leora Lawhon has been manager of the college Book Store for more than fifteen years. Her "office" is in the main hallway, a popular refreshment spot between classes, a necessary stop before classes. She handles all of the books and school supplies as well as a full line of candies and soft drinks.

# C. B. C. News Bureau

- Editors of "THE DUX"
- Editors of "THE C. B. C. QUACKER"
- Editors of "THE DAILY BULLETIN"

VICTOR TESORO

The office which edited this 1942 seasonal edition of "The Dux" also published the monthly newspaper of the school, "The C. B. C. Quacker," and handled all of the publicity of the college and its students in newspapers all over the nation.

Director of this work until just at the end of the annual year was Carl A. McIntire, a former newspaperman who left to again become a newspaper editor. New in the work is Victor Tesoro, a graduate of the University of Missouri School of Journalism in January.

Mr. McIntire and Mr. Tesoro served as editors of the annual and the Quacker, took charge of the newspaper articles and handled the camera to take many of the pictures of students and faculty members at work and at play.

Working as assistants in this office, serving as managing editors of the publications, editors of "The Daily Bulletin"—C. B. C.'s daily newspaper—and as helpers to the directors of the News Bureau have been seven young women, all Ducks in their own right for they attended classes before accepting employment in the office.

Miss Inez Sime of Falkton, S. D., and Miss Marjorie Bayer of Chillicothe, Mo., worked together at first, before Miss Bayer went to Washington, D. C., and Miss Marjorie Coult of Chillicothe took her place. When Miss Sime went to Kansas City, Miss Iown Buechle of Valentine, Nebr., began work. Miss Coult was married and gave her position to Miss Gracie Golmon of Amite, La. Both of the latter girls went to Washington, D. C., on civil service appointments and Miss Margaret Parks of Chillicothe, Mo., and Miss Edna Dean Thatcher of Gracemont, Okla., were working at the end of the year.

# Field Secretaries

Field secretaries for C. B. C., making regular visits to high schools and to the homes of various prospective students in the northern section of Missouri, are I. W. Lively, George Beckler and Wm. W. Townsend.

Mr. Lively, longest in this work for the school, has as his territory all of Northeast Missouri. Mr. Beckler visits Northwest Missouri except for Livingston County. Mr. Townsend works only in Livingston County, the home sector of C. B. C.

The Northwest Missouri and Northeast Missouri state clubs, as a result of the work of these men and the close proximity of the territories, are the two largest in school.

Enrolling the students from their territories does not stop the interest of the field secretaries in their students. The men are constantly on the lookout for positions for which they can recommend the students. They prove helpful to the young people in getting them located in Chillicothe, adjusting themselves in school and in planning their courses when changes seem advisable.

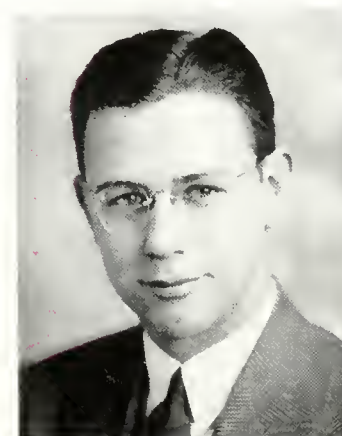

Biggest days of the year for these men are in the early part of January, June and September. These are big enrollment periods and the men work in their offices enrolling the students who have been contacted in the days and weeks before.

*Gymnasium - Auditorium*

*The Old Arch*

*Administration Building*

*Commerce Hall*

*Dining Hall*

The Dining Hall's name speaks for itself. The entire first floor of the structure is given over to a large dining room and kitchen. The basement houses the new and completely modern cafeteria. Classrooms and offices are on the second floor.

The Telegraphy Building has a name to describe its purpose, also. Classrooms and offices are in the basement and on all three floors. The entire rear portion of the second floor is occupied by the Telegraphy Department. Model Office is housed on the third floor.

*Telegraphy Building*

*Dryden Hall*

Dryden Hall has been a dormitory for girls longer than any of the three college homes for young women. Here nearly fifty coeds stay with their housemother, Mrs. Leah Powell. A complete schedule of activities is carried on among the girls with the recreation room as the center of attraction.

*Vincent Hall*

Vincent Hall was a dormitory for boys when the school year started, but in August it was completely remodeled and with the September opening it began to house girls. Mrs. Lela Bennett is the housemother of forty-eight Vincent girls.

# State Club BASEBALL

FOR the baseball series the twelve state clubs grouped together by threes, organized four teams and called "play ball." At the end of twelve games the North team had a title, South was in second place with Southwest, the defending champs, and Missouri was in the cellar.

Led by Russell Larson as the ace hurler and managed by Tom Ostby, North went out after the crown right from the start. Five straight wins put them over the hump and assured them of victory, then, in the final game, they dropped back and Southwest came in for the lone defeat of the title holders.

The win in that end-up game shoved the Southwesterners up into a tie for the runners-up spot with the Southerners and showed the Missourians the way to the lonesome cellar.

Some summaries of the season include: most times at bat, Herman Smith of South; most runs scored, Smith and Merle Spring of Southwest; most singles, Beshears of Missouri; most triples, Spring; most home runs, Spring and Charlie Teague, Southwest, 2 each; most times walked, June Corben of Missouri; most stolen bases, Ernest James of North.

Cecil Dump swings, James is catching; Larson makes ready a throw; Spring scores on a homer; the crowd.

## SWIM CARNIVAL

**M**ORE than 200 students participated in the annual swim carnival that found the Cosmo club Ducks the best in the water. Helen Dunn took high honors for the girls by placing in all of the diving events, while Maynard Couch bested the boys in both swimming and diving to earn his champion rating.

There was keen competition in all the events, but the boys' relay, won by Northwest Missouri, was the feature event of the day. It was a see-saw race won on the last couple of strokes.

They went swimming; he won the swar dive; Couch does a half-ganer; girls ready for back stroke; Cies finishes first for N. W. in relay; they figure points.

## TENNIS MEET

TOO LATE FOR A KILL; DOUBLES CHAMP

Feature of the annual tennis tournament was the dethroning of the girls' singles champion of a year ago by a much smaller racqueteer. Jeanette Hollstien won over Althier Hollinger in straight, hard played sets, 7-5 and 6-3.

Five clubs tied for the points in the tourney for not one of the clubs could take two titles. Nebraska-Dakota had the girls' champion while Iowa, in Lambert Cross, furnished the best of the boys' singlists. Girls' doubles winners were Helen Dunn and Ida Wylie of Cosmo and the boys' doubles champs were Joe O'Neal and Raymond Zumbuhl of South Missouri. Mixing the courtsters brought Kentucky-Tennessee a title with Charles Wright and Lenore Clemmer as the players.

Clubs sending the losers into the finals included South Missouri in girls' singles, Northeast Missouri (June Corben) in boys' singles, Nebraska-Dakota (Lytle Christopherson and Charles Tooker) in boys' doubles, Illinois (Sara Calhoun and Dorothy Schroeder) in girls' doubles and Oklahoma (Betty Ledbetter and Dick Roberts) in mixed-doubles.

**I**T is a hard job to work and go to school or to work in order to go to school, but a great many of the Duck students find the work not too difficult when it is measured against their education that allows them to be able to well provide for themselves and their families in the future.

There are a number of jobs that students hold around the college, some of which are pictured on these pages. There are other students who work off the campus in order that they can gain an education.

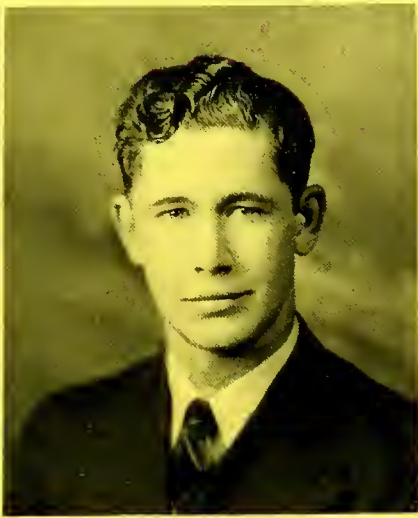

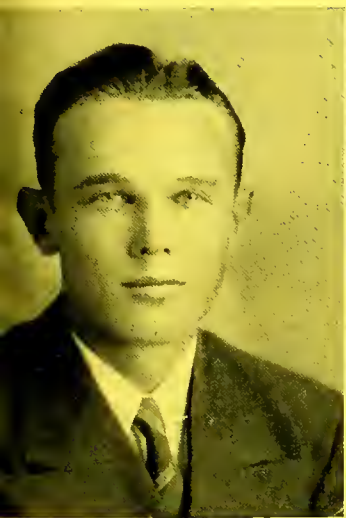

For those who work for the college there are special dormitories where the working students can live together. Faver Hall is for the boys, with W. J. Everitt and then Raymond Phillips as supervisors. Carrie Brant Hall houses the girls. Mrs. Bessie Martz was housemother there for a part of this year and was followed by Mrs. Sarah Fitzgerald.

# *Working Students*

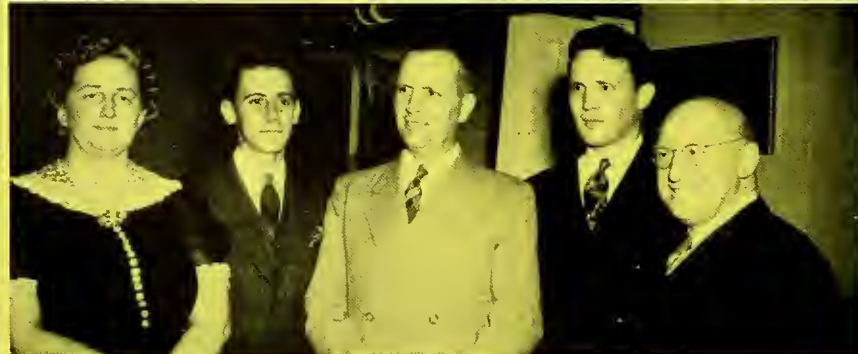

**"The Will To Do In Order To Know"**

Typical of the jobs done by students are serving in the dining hall and cafeteria, helping in the kitchens, harvesting and doing the chores on the farms and in the orchard, taking care of the buildings and campus and doing duty as student assistants to teachers in various classes. All are necessary jobs, all are done well by students. So much has the work become a part of school life that it is included here as representative of what the advantages of college life mean to many young people.

# Student Bodies

**More Than Three Thousand In Classes of Seven Courses**

Making the honor rolls at C. B. C. is a distinction achieved by comparatively few students. High standards are set in classwork for students to complete their courses in a specified amount of time. If they meet these standards they automatically have their names placed on the "Record Time" honor list. Students neither absent nor tardy from classes while in school are granted a place on the "Perfect Attendance" honor roll. Below are names of the 1941-42 students in these two classifications.

## *Scholastic Measures of Success Thrice Yearly*

Measuring achievement in the form of competition makes the quarterly commercial contests for C. B. C. students an entertaining feature of school life. Any student may enter any contest he or she desires, and may enter as many as time will allow. They are held in May, August and December.

Competition, of course, is individual, but points scored by the students count for their respective state clubs toward the competition standings of the year. Nebraska-Dakota won the meet in May while Cosmopolitan won in both August and December.

Outstanding contestant of the year, and of the ten years in which the contests have been held, was Helen Scharf of Miles City, Montana, who won three firsts in December. It was the first time any contestant had ever won three contests in a single meet.

# THEY TOOK JOBS IN WASHINGTON TO HELP UNCLE SAM WITH WORK

Answering the call of Uncle Sam that they come to Washington, D. C. to help in the National Defense Program and then in the War Program, hundreds of C. B. C. students went east to take positions in many of the departments of the government—particularly in the War and Navy Departments. There were times when thirty and forty would get telegrams the same day telling them they had passed their Civil Service examinations and asking them to come to Washington. The trend toward gained momentum as the war started and the need for more workers became of vital necessity. Pictured on these two and the following two pages, are C. B. C. students who answered the call to help the government with necessary office work. Some on the following two pages are ones who went also to other governmental locations such as some of the many offices which make up the Tennessee Valley Authority. Wherever they went, or whatever work they were assigned to do, the interest of every Duck was focused on putting his special training to work helping Uncle Sam.

## MILITARY SERVICE HONOR ROLL

### IN MEMORIAM

TO

VICTOR MEYERS—FIRST KNOWN C. B. C. WAR CASUALTY

Victor Meyers, C. B. C. student in 1937 from Hendley, Nebr., was known by classmates as a quiet fellow who got along well with everyone and who left behind him a good school record. On December 7, 1941, Victor Meyers left another good record—a record of service to his country. He died in the initial raid on Pearl Harbor by the Japanese. He was killed in action, the first C. B. C. Duck known to have lost his life in World War II.

Shortly after the bombing of Pearl Harbor on December 7, 1941, a huge C. B. C. Military Service Honor Roll was placed near the entrance of Commerce Hall on which was listed the names, addresses, year of attendance, and course of all C. B. C. students known to be serving in the armed forces.

On this page and the following three pages find listed this information—with the last available address for each former student as The Dux goes to press.

# Fall

**Ducks Fall for Homecoming, Gridiron, Queens and Music**

# C. B. C. HOMECOMING

## *First Place Floats . . .*

Winners of first places in each of the three divisions of the floats in the Homecoming Day parade were these pictured here. Alabama-Mississippi's, pink in color with silver trimmings, was the most beautiful, giving the club its second first in the same classification in two years. Cosmo's red-white-blue was the best in the patriotic group, a new classification this year, and Oklahoma's burning-of-Hitler by the Indians was most original. Other pictures show the bonfire and the rush at the theatre.

## Runners Up in Parade . . .

**S**ECOND place winners in all of the three classifications, and one third place winner, are pictured above. Kentucky-Tennessee's "Kentucky Derby," the most colorful float ever entered in a C. B. C. parade, was second for beauty. Northeast Missouri paid tribute to the type of education received at the college and won second for originality. With a sailor, soldier and nurse guiding the ship of state, Illinois was second in the patriotic group and Iowa, its huge golden bell the biggest float ornament in the ten-mile-long parade, took third in the same classification.

It was generally felt by all who saw the parade this year that it was the most beautiful that has been presented in the more than two decades of colorful Homecomings for students and old grads. Special trains came from Kansas City and Chicago and former students were back from as far away as Hawaii, Ensign Bill Hobgood making the 5,000-mile trip from the Islands.

JUST to the left are the two other third place floats. Arkansas's beautiful swan-drawn queen carriage and Livingston county's original airport. The other floats were among the many attractive displays on wheels that the students of the various clubs entered in the parade. Northwest Missouri expressed the feeling of the entire student body to the returning former students, South Missouri showed the girls in the old picture albums, Texas showed the animal that made it famous and Louisiana portrayed its biggest sports event. Kansas had a beautiful float of purple hues that attracted much attention.

## Parade Goes On . . .

Nebraska-Dakota presented the nation's capitol with its 10,000 cherry blossoms, Minnesotans rode over their lakes, Georgia presented its "peaches" and Colorado displayed its cool mountain peaks. Florida was the land of palms and sunshine, the float said, and New Mexico likewise made its "sunny" appeal. Kansas and Montana presented the only horse-drawn vehicles and they tell their own stories.

# Queens

NO college event is without its queen, but Duck Pond students are most thorough, having many queens, all of them attractive in their royal settings. Pictured here and on the next two pages are the queens of Homecoming for 1941.

In the picture directly above are the Kentucky-Tennessee girls: Elaine Webb of Bardwell, Ky., at the left, Mary Lou Clark of Lebanon, Ky., center, and Polly Speck of Livingston, Tenn., right.

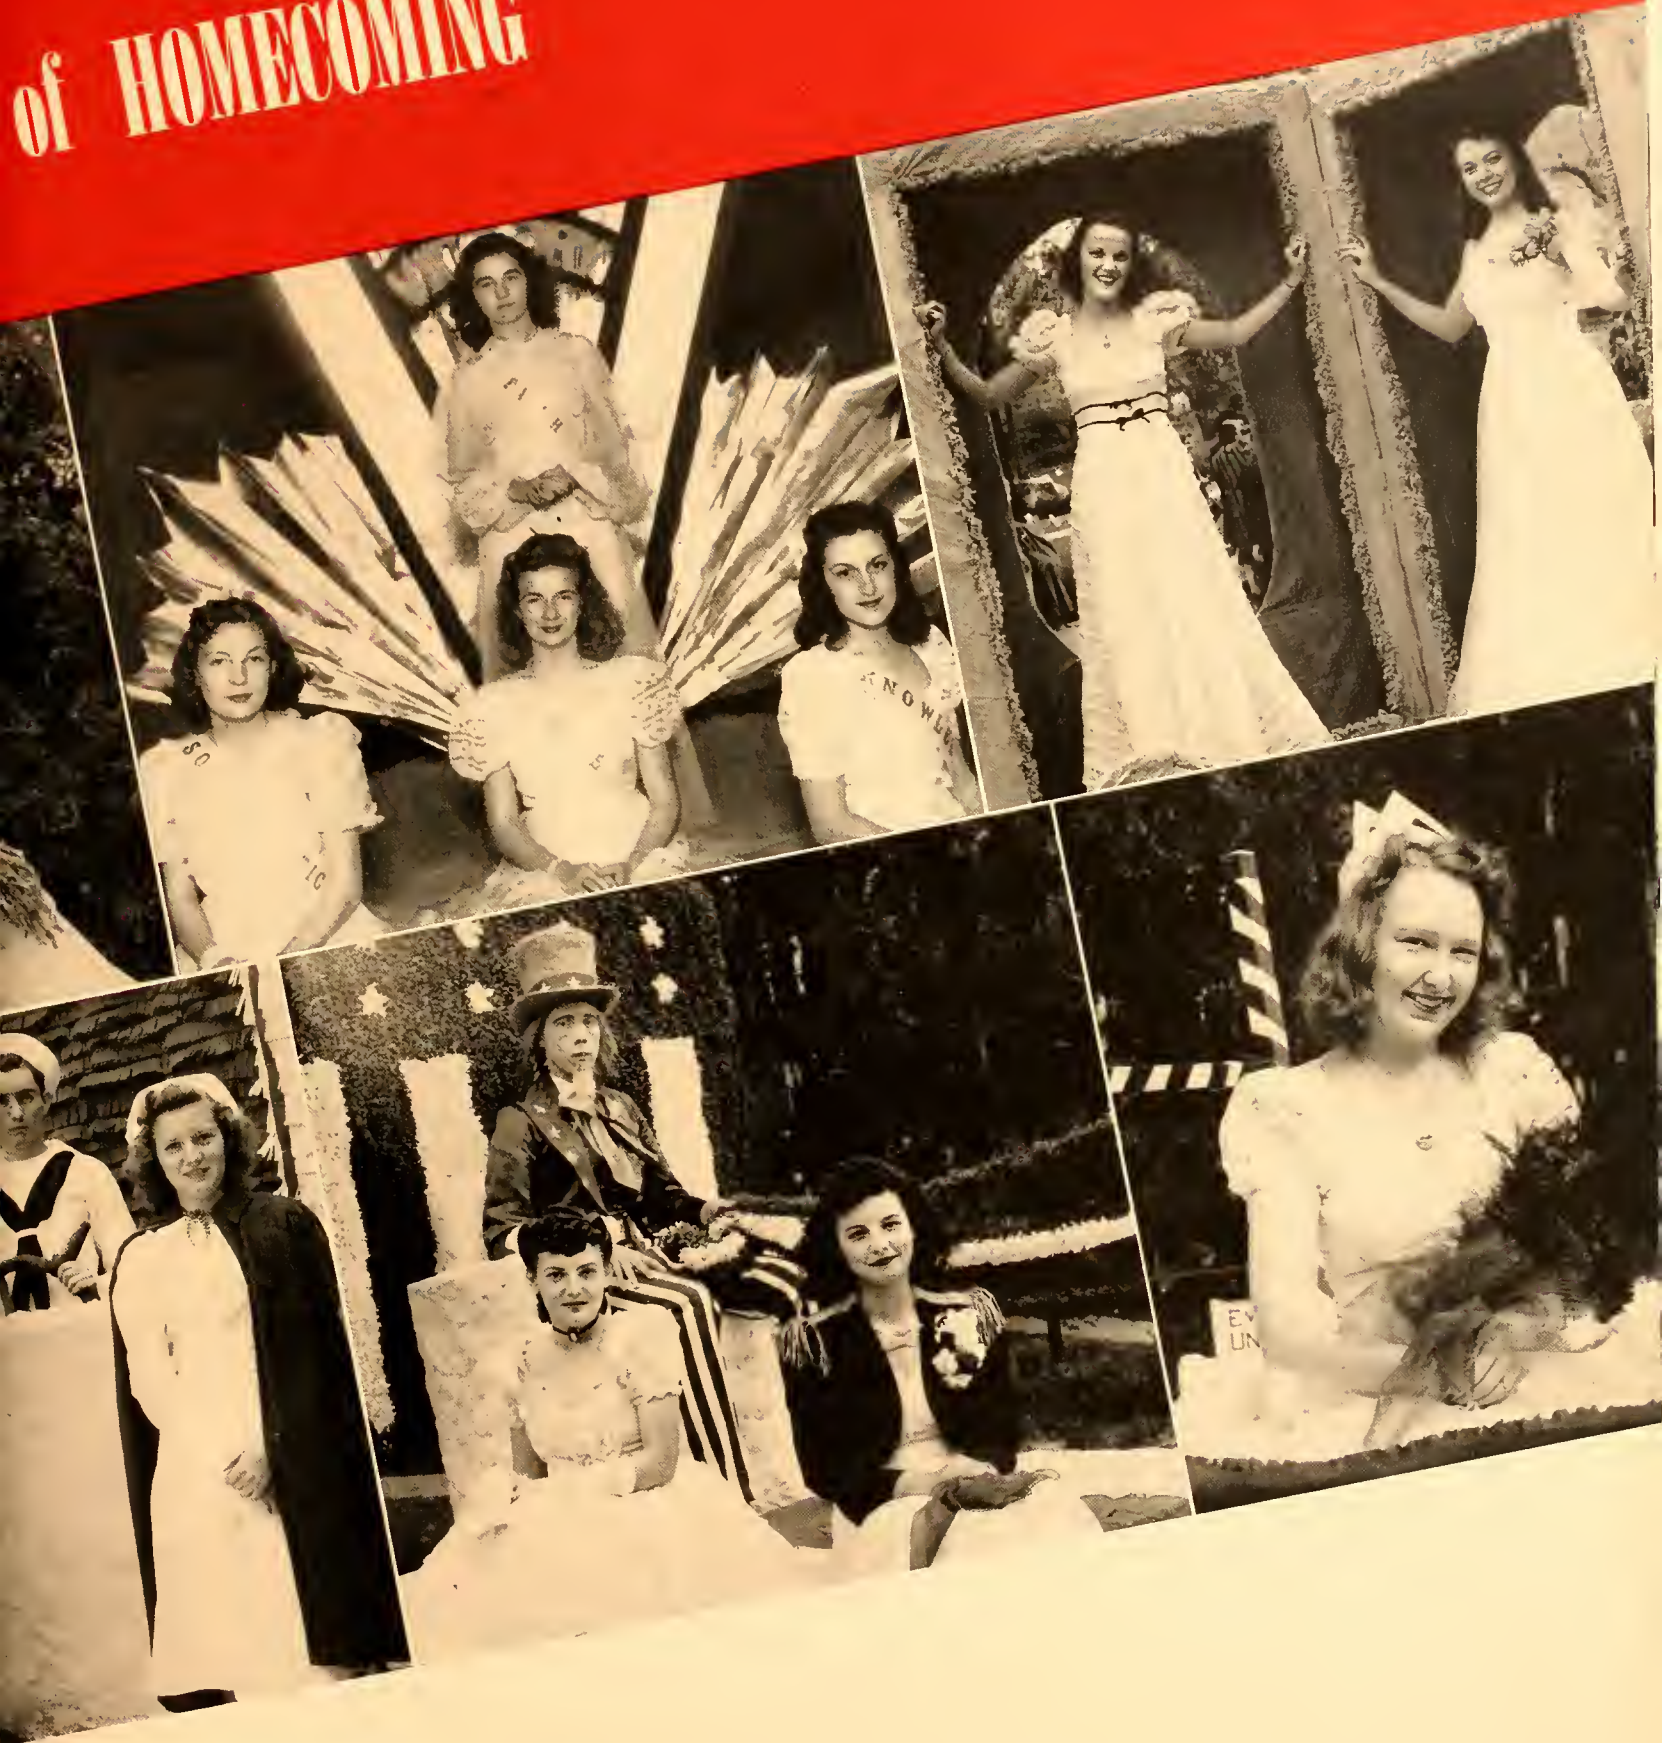

Arkansas' beauties are, left to right: Billie Baxter of Van Buren, Margaret Rose Anderson of Osceola and Marie Keenan, Queen from Ashdown.

The pictures in the fold of the pages are of the Kansas queens, top, and the Illinois patriotic group, lower. The Kansans include Jeanne Boxwell of Hoisington, standing, and Melba Rowh of Norton and Shirley Houck of Pleasanton. The Illinois soldier is Charles Buell of Quincy, the sailor is Lloyd Foster of Wataga and the nurse is Lette Kibler of Rosiclare.

**B**ELLES of the South who helped their club, Alabama-Mississippi, take first for beauty are at the top, left. Standing is Shirley Smith of Clarksdale, Miss. The others, left to right, are: Billie Tomlinson of Chalybeate, Miss.; Charlotte Williams of Pinola, Miss.; and Sarah Greco of Leland, Miss. South Missouri's queens from the album are Gertrude Schmidt of Boonville, and Maurita Eggleston of Jefferson City. Uncle Sam of Iowa is Charles McKnight of Traer; his attendants are Wilma Walton of Richmond and Marvel Wise of Sac City. Carolyn Rogers of Bastrop, La., was in the "Sugar Bowl."

COSMOPOLITAN

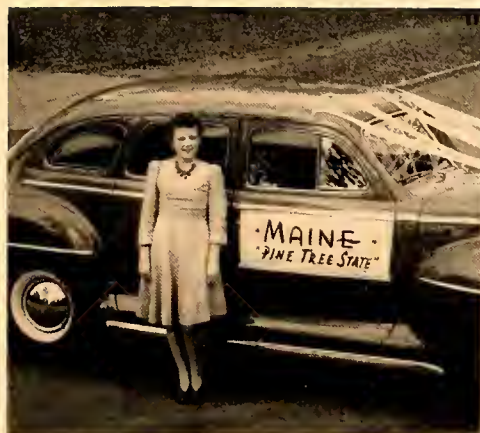

Still more queens, for there were many in the parade. In the upper left is Betty Carr of Northwest Missouri. From New Mexico was queen Pauline Jocoy and her attendants, Johnnie Lenhart and Louie Heick, Jr. Nebraska-Dakota queen was Eileen Cooper of Lead, S. D., standing. Attending her were Jeane Wolner of Frankfort, S. D., and Darlene Horacek of David City, Nebr.

Mary Wilson was "Miss Business Education" for Northeast Missouri. She is from Hannibal.

The Cosmo girls were representative of the very cosmopolitan club they represent. Left to right they are: Naomi Holder of Hanover, Montana; Virginia Stackpole of Socorro, New Mexico; and Jane Myers of Neopit, Wis.

Floats were not all that were in the parade. There were delegations, bands, drum corps, individual state representatives—and J. D. Rice, who has been astride his horse at the front of C. B. C. Homecoming Day parades for many years, and who is pictured at the right.

Above, left to right, are: Barbara Johnson of Maine; Alabama-Mississippi's idea of what to do with dictators, and Beverlee Swift of New York.

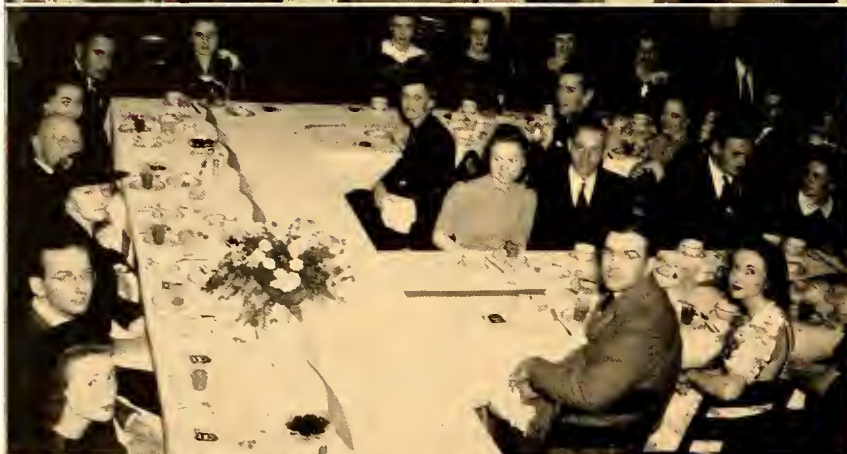

In the center are the C. B. C. band and the Oklahoma Indians. The latter float did not get to finish the parade because of motor trouble, but it did go along the entire parade route downtown.

At the bottom are shown Mexico's four loyal sons; the "most beautiful" float with the boy at the right guiding the completely hidden driver by a loud speaker system—the first time such a mechanism had been used, and Cosmo's patriotic entry.

# C-B-C-HOMECOMING-OCT-18

Homecoming means many gatherings and events. Here are pictured a few of 1941: the street sign, stunt at the game, crowd at Homecoming Ball, Bill Conboy speaking as an old cheer leader at the pep meetings, the banquet of the honor class of 1936, the throng at the pep meeting, the best decorated house—that of Miss Welch and Mrs. McDonough of the faculty, and the Minerva Ducks, in the rain and in sunshine.

COACH BOB WHITE

Guiding the Duck athletes throughout the gridiron season was Coach Bob White who, in spite of the record they achieved, feels that his boys played their best. Opposition was strong, the team weak in spots. This was Coach White's second season and he had but two returning lettermen.

Assistants to White were assistant coach James Brown of Marshall, Mo., and Calvin Gillaspie, Duck captain, from Torrington, Wyo.

Athletic Director T. E. Lail served in an advisory capacity and acted as business manager for the squad.

## THE FIRST TOUCHDOWN

Herman Hall has the ball over the goal line, scoring the first Duck touchdown of the season. It was in the Warrensburg game as the grid play started and the Ducks won 6 to 0.

## MOBERLY MUD MIXERS

Dirty and wet, the Ducks here are counting one of their three touchdowns that brought victory at Moberly on the muddiest field the boys saw all year. Hall has the ball over the line.

## HOMECOMING ACTION

The ball has just left Hall's hands and is headed for Russell Larson in the combination that kept Ducks fans hopeful in the fateful Homecoming Day game with Kemper.

## BUT WENTWORTH WON

Hall again is over the goal line scoring a touchdown. This one was at Lexington when the Ducks played Wentworth in the Special Train Trip game. This score was not enough, however. In the bottom picture action in the Wentworth game can be seen in mid-field, the cadet corps in the background.

The sixteen lettermen on the Duck squad came to C. B. C. from nine states, making the team as cosmopolitan as the school itself. Missouri quite naturally had the largest delegation, including Couch, Kays, Sparks, Guthrie, Premer and Sidwell. From Kansas came Puls and Miller, from Alabama came Carr. Cerney represented South Dakota, Gillaspie was from Wyoming, Tackett from Kentucky, Smith and Pyfer from Montana, Larson from Iowa, and Hall from Oklahoma.

Of the entire delegation, only Kays and Gillaspie had won letters the year before. Pyfer had been on the squad before, receiving a reserve letter. The others were newcomers.

Reserve lettermen this year included: Cy Carney of Van Buren, Ark.; Maurice Clark of Lebanon, Ky.; Edward D. Jones of Chalybeate, Miss.; Joe Novota of Moweaqua, Ill.; Larry Prince of St. Paul, Nebr.; Turner Tackett of Fallsburg, Ky.; and Clarence Wilson of Clarksville, Ark.

# TO WENTWORTH ON THE . . .

Getting started . . . through town . . . all aboard . . . on the train . . . reception committee.

**T**HREE hundred students and faculty members made the Special Train trip this year to Lexington, Missouri, where they saw the Ducks meet the Wentworth Military Academy Red Dragons in W. M. A.'s homecoming game.

The Ducks lost the game, but it was a battle and everyone was having such a good time that seeing the boys in action, trying all the time, was sufficient to keep up the enthusiasm.

The trip started early with a parade from the campus to the Milwaukee depot. Seven cars in a special train for Ducks only took the crowd to Kansas City and then to Lexington. The delegation was met at the Lexington depot by the entire cadet corps of the academy and the two groups of students paraded to and through town.

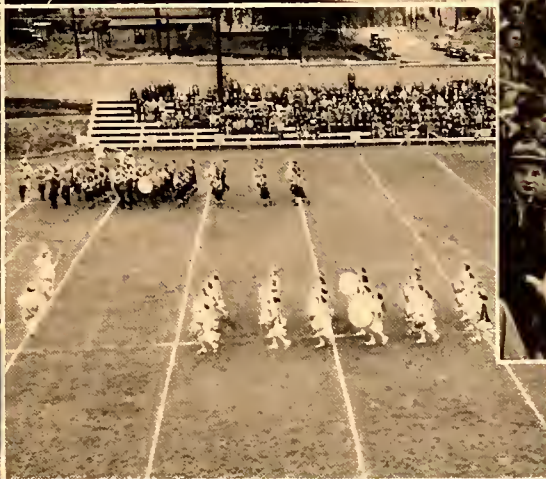

The C. B. C. band and the drum corps were both in the parade and the Drax and Peppettes were there in uniform; all the Chillicotheans had purple and gold pompons.

During the game Bud Moore, son of President Allen Moore of C. B. C., carried the ball for Wentworth on several occasions and the Duck president did not know who to be for or against. The band and drum corps gave a drill at the half and so did the band of the military school.

Returning home on the special train was a thrill. There were some cars for visiting, one especially arranged as a dance floor. The accompanying pictures tell the story of how the entire day was spent.

# AND PEPPETTES

Active throughout the entire athletic season are the members of the Drax and Peppettes, the pep squads for Duck teams. They gave the stunts at the halves of the football and basketball games, lead in the cheering sections, make the Special Train trip as guests of the college and play an important role in Homecoming. They are guests, too, both at the Purple and Gold Balls, the former at the close of the football season and the latter after the court play is over.

Combined pep squads form huge "C" in stadium—one hundred and sixty-three strong-lunged Duck rooters.

# *Duck* CHEER LEADERS

D-U-C-K-S' Cheerleaders  
—on the Court

CHEERLEADERS for Duck activities are always busy. They have charge of stunts, yelling, student demonstrations, assembly programs, pep meetings and all the parades. Wherever a group of students is found it is likely that at least one of the cheerleaders is there. They are elected by a faculty committee after try-outs and they serve through the year, first during the football season and then the basketball season.

# Band AND DRUM CORPS

Marching Band and  
Director Earle Dillinger

The Marching Band of C. B. C. is the leader of the parades at every football game, Homecoming, Special Train Trip and many other activities. It is under the direction of Prof. Earle Dillinger and around it all student activities center. Sweaters were awarded to the members of the band at the close of the season.

## *C. B. C. Girls' Drum Corps*

**W**ORKING with the band at all times, the C. B. C. girls' drum corps is in the midst of whatever student activity is taking place. They have all the privileges awarded band members, are invited to the Gold and Purple Balls, taken on the Special Train Trip, given an important place in the Homecoming Parade and called upon to give many concerts in assemblies and pep meetings.

The girls in the Drum Corps during the year include the following, named as they appear in the picture at the bottom of the page:

Front row, left to right: Patricia Wright, Phyllis Busse, Hazel Johnson, Martha Lee Johnson, Frances Cox, Sally Calhoun, Christine Nelson, Edith Western, Mabel Yates, Marjorie Wacha and Mrs. Thelma Brown.

# The DRUM MAJORS

SHIRLEY ELLIS  
Trenton, Mo.

SALLY CALHOUN  
Ashton, Ill.

Drum majors for the drum corps and the band, always leaders when students were doing something, were Shirley Ellis of Trenton, Missouri, leader of the band, and Sally Calhoun of Ashton, Illinois, leader of the drum corps. This was Sally's second year as drum major at C. B. C., but Shirley was doing the work for the first time. Near the close of the season their pictures were entered in a nation-wide contest to select a typical drum major of American colleges. This brought wide publicity to the girls, both outstanding as leaders of musical organizations, and their pictures were published in many papers from coast to coast.

# *Cosmo Leads In State*

**A**LL competition between the students at C. B. C. is carried on through the state clubs. There are twelve in all, thirteen at Homecoming time when Livingston county has its own for one week. The largest are those of Northeast and Northwest Missouri with Cosmopolitan, including all of the students from states for which there is no club and all the foreign students, running a close third. The Iowa, Kansas, and Nebraska-Dakota clubs are all extremely large, also.

From time to time throughout the year the number of the club members varies with the ever changing enrollment. The pictures on the following pages show only those students who were in school the first week in November.

Students elect their own officers and these officers, with the sponsors, head all the activities. Biggest item of business is handling the club's arrangements for floats and delegation appearance in the Homecoming parade. Other matters are in getting the best representatives of the clubs to enter the various contests.

There is regular competition every year in several activities, scheduled so that all will know when they are to take place. The schedule, as it was followed this year, included:

- March 14—Spring Carnival.
- March 29—State Club Track Meet.
- May 24—May Commercial Meet.
- May-June—Summer Baseball Series.
- July 30—State Club Swim Carnival.
- August 5-6—State Club Tennis Tournament.
- August 23—August Commercial Contests.
- October 18—Homecoming.
- December 20—December Commercial Contests.
- December-February—State Club Basketball Series.

In all of these activities there are points given to the winners with the exception of the carnival. In this all the clubs go together and provide an evening of fun and entertainment for everyone.

# Club Competition for 1941

In all but the baseball series all of the clubs participate individually, but because there are several members needed for each team, and because summer enrollments of some clubs would not allow them to have a full squad, the baseball is a four-team affair. Nebraska-Dakota, Iowa and Illinois join in the North team and they share in the winnings. Likewise, Kansas, Oklahoma and Arkansas are the Southwest team; Northeast, Northwest and South are the Missouri team; Kentucky-Tennessee, Alabama-Mississippi and Cosmo are the South team.

Cosmo was the winner this year with but a few points to spare over Nebraska-Dakota. But those two clubs were far out in front of the others. The scoring of all the clubs is given below. Let it be said that even with Arkansas' one point the club was not inactive as the story of that group's activities will tell.

## Final Standings of State Club Competition

Cosmopolitan	28 4 5	points
Nebraska-Dakota	26 4 5	points
Northeast Missouri	14	points
Iowa	13 4 5	points
Alabama-Mississippi	13	points
Northwest Missouri	8	points
Illinois	7	points
Oklahoma	6	points
South Missouri	5 4 5	points
Kentucky-Tennessee	4 4 5	points
Kansas	4	points
Arkansas	1	point

**C**ROWNING event in the lives of the Alabama-Mississippi club members for the year was the winning of first place in floats of beauty in the annual Homecoming Day parade. It was the second consecutive year that the southerners had won, and the second year they had used pink as a predominating color.

The float was a huge one, the body had rounded sides and all its lines were graceful. Mounted on top was a huge silver colored "V" trimmed in blue and at the foot of this emblem of victory were Queen Shirley Smith and her three attendants, Billie Tomlinson, Sarah Greco and Charlotte Williams, each dressed in a white evening gown.

Two boys guided the prize winning, title defending float of beauty that competed in a large field of attractive floats. One of the boys drove the car on which the frame rested and the other walked along on the outside, giving directions to the driver via a loud speaking system. It was the first time that loud-speaker had ever been used in a C. B. C. Homecoming parade to help in guiding any float.

Jack Carr carried the club name in sports. He was the biggest football tackle in Missouri college grid circles in the fall. His 250-pound, 6-foot, 4-inch frame meant a lot to the Duck line. He lettered in both football and basketball. He was selected as one of the best tackles in the Interstate Conference.

Edward Jones and Leon Walker were other outstanding athletes of the club. Jones was the catcher for the southern team in the summer baseball series and was a speedy halfback for the football team. In the Homecoming game he suffered a broken ankle, but he was given a reserve letter in the sport. Walker was a track star, winning a letter in that sport. Robert Tait and Thomas Long both represented the club on the South baseball team along with Jones and Sponsor George Walker was the South team's manager.

## STATE CLUB

Only in the December Commercial Contests did the club place. Elvirease Sigler won third in championship typing at that time.

Also entered in the Homecoming parade was another "float," if such it can be called, by the Southerners. This was a car with the top down and it carried, in typical parade fashion, "President Roosevelt," "Madame Perkins" and "Winston Churchill." In front were two girls leading "Mussolini" and "Hitler." A huge rope was entwined around the Dictators' necks and each carried a ball and chain.

The club's delegation, with every student in the parade, won first place for participation.

Sponsors of the club are Miss Frances Ott, Mrs. Hildred Fifer and George Walker.

Officers are, left to right: Joe Causey, Port Gibson, Miss., president; James Watson, Columbia, Miss., secretary; Robert Tait, Louin, Miss., treasurer; Max Fuller, Dothan, Ala., vice-president.

# Arkansas...

## STATE CLUB

**A**RKANSAS rated a tough year. The club won but one lone point in the club competition, but it had a good group of young people and they did things.

The lone point came from the club's float, entered in the beauty division of the Homecoming Day parade. It was all white with the exception of the reins with which Queen Marie Keenan drove the ducks that were pulling the throne of the "Queen of Football." Attendants were Billie Baxter and Margaret Rose Anderson.

In sports the club sent four boys out for recognition, and they received just that. Charlie Teague was the hardest hitting batter, most versatile fielder in the league during the summer months. Cecil Speer was outstanding in the field.

Officers, left to right, are: James Moore, president; Billie Baxter, secretary; and Gerald Ellis, vice-president.

Cy Carney and Clarence Wilson both won reserve letters in football, only because they were late to enroll and could not play in all the games. Wilson was one of the surest backs the Duck team had. He was fast and tricky. Against several teams he was a sure ground gainer. Carney carried the ball on occasions, was a good blocker.

Always on the sidelines at sports events was red-haired Billie Baxter from Bob Burn's home town of Van Buren. Billie was one of the cheerleaders and she missed only a few of the basketball games, not a football battle. On the Special Train trip she helped in keeping the crowd's enthusiasm going at full steam all the time and she was always working with Miss Maurine Moore and others of the Peppette sponsors to get the stunts for the games ready for presentation.

C. W. Dixon, jr., won second place in typewriting for accuracy in the August Commercial Contests and Mrs. Lorea Pope won third in the December Spelling Contest.

At the Spring Carnival the Arkansas stand was the most popular of the evening. It was the "Bingo" game and from the start until the close of the evening of fun there was always someone interested in a game.

Representing the club in the spiritual side of school life was Dorothy McKay who was president of the Baptist Student Union and one of the leaders in the C. B. C. Student Christian Association. She served the latter group as both secretary and vice-president at different times during the year and was on several committees.

Another member of the club achieved nation-wide recognition when Robert L. Ripley included him in his "Believe-It-or-Not" column. The student was E. P. Scruggs of England, Arkansas, who did not miss a day of school, nor was he tardy, through grade school, high school and college.

Ted Crabtree of Arkansas was one of the stars of the summer's baseball series. Coming into the series rather late, Ted made a name for himself as a pitcher. He held back the champion North team in one game and gave the champs their only defeat of the season.

Loyal sponsors of the club were Mrs. Summers and J. P. Newell who even manned the club's stand on the Special Train and let the club members enjoy a good time without having to help.

**W**ITHOUT a doubt, the Cosmopolitan Club was the outstanding student group during the year. This club, with its membership garnered from the far-away states which do not have their own clubs and from the foreign countries represented on the campus, won the state club competition.

The predominance of the Cosmos began with the start of the club season. The club won first place in the state club track meet, first in the swim meet, tied for first in the tennis tournament, took first in the August and December Commercial contests and entered the first place patriotic float in the Homecoming Day parade.

As if that was not enough, the club won third in the May commercials, had several officers of the club in organizations, claimed the football captain and two other lettermen and two track lettermen.

Hardly enough can be said as to the importance of the commercial contests in C. B. C. life, so it is with pride that the Cosmos look upon their victories in these scholastic meets. Helen Scharf of the club did the unbelievable when she won three firsts in one meet (in December). It was the first time that one student had ever won three firsts in any one meet, and all of Helen's records were good. Her victories were in both 80-word and 100-word dictation and in accuracy typing. In that same meet Jane Staggs won first in spelling and Mildred took second in the same event.

In August it was Edith Smith who led the team to victory. She won 100-word dictation and placed second in 80-word dictation. Jane Staggs was second in 60-word dictation, Helen Adamic second in 100-word dictation, Ward Gregg second in shorthand artistry and Lillian Kunkel third in penmanship.

When the club won only third place in May the only first place by a Cosmo was in novice typing by Wilford Louke. Edwardo Carrancedo, of Santander, Spain, was second in the same event. Maxine Grady took seconds in both 100-word dictation and shorthand artistry. Mary Summers was third in 100-word dictation and Kathleen King was third in accuracy typing.

The top ranking girl athlete of the school was Helen Dunn of this club. Helen was the high point girl in the swim meet, she teamed with Ida Wylie to win the girls' doubles title in tennis and ranked high in basketball. Kathleen King was the other leading sports figure of the club. She was third high ranking girl in the swim meet.

## STATE CLUB

Calvin Gillaspie, elected captain of the football team as he lettered for the second consecutive year, again was named on some all-conference teams. Along with Loyd Pyfer and Bob Smith he had carried Cosmo colors onto the gridiron. In track Jack Dowell won a letter while Clinton Ritchie, Rex Ross and Gillaspie all garnered points.

The patriotic float that took first in the parade was of red, white, and blue, depicting freedom. Three queens: Naomi Holder, Jane Myers, and Virginia Stackpole, held the torches high over the float that carried this inscription between two American flags along the side: "Light of the World."

Foreign countries represented during the year in the Cosmo club were: Venezuela, Spain, Panama, Canada, Cuba, Ecuador, and Mexico.

## STATE CLUB

ONE of the most colorful figures on the Duck campus was from the Illinois club. She was Sally Calhoun, drum major of the C. B. C. drum corps throughout the year. She came from a club that was comparatively small during the year, but which was studded with individuals who received recognition.

There was Walter Anderson from Illinois, who was the only record performer in the state club track meet. He equaled the existing record in the high hurdles and ran on to win high point honors of the meet among the boys. He was destined to win a letter in track, but had to leave and return home during the summer months.

Joe Novota was a good football player, a better basketball man. He won letters in both sports. Lettering with him in basketball was Jack Rugh. Rugh was a forward, Novota a guard. In football Joe played in the backfield.

Officers of the club pictured here are, left to right: Jane Rugh, reporter; Sarah Calhoun, vice-president; Paul Curry, president; and Helen Fried, secretary-treasurer.

Bob Sharples, like Anderson, started out as a flash in track and was forced to leave school through sickness and thus failed to letter. He was a speedster and without any practice in the spring he placed fourth in the state junior college indoor meet in Columbia. Paul Curry tossed the discus with the track team.

Two of the baseball all-stars, members of the North team but from the Illinois club, were Clifford Elliott and William Wenger. Both were excellent fielders and men to be feared at the plate. They helped bring the championship to the North club. Russell Alderson and Wesley Althoff also played with the North team, but were out for only a short time before taking jobs.

Bettie Kibler was the queen on the Illinois patriotic float that won second place in the Homecoming parade. Charles Buell and Lloyd Foster were the attendants. The float depicted the Ship of State being guided by a nurse, a sailor and a soldier.

Just behind this float in the parade was another of the original variety entered by the club members. In front of a much painted car was a platform on which was a tree. In the tree was a hornet's nest and the caption "Beat Kemper" was most fitting since the Kemper team is called the "Yellow-jackets."

During the basketball season the Illinois boys had a chance to get into a real race, and they ended second best in the entire school after having won class "B." Nebraska-Dakota beat them in the play-off for the grand championship.

At one of the dances sponsored early in the season by the Oklahoma club, Illinois gained recognition when Jean Gaffney was chosen the "Apron Girl." It was an apron and overall dance and the girl from Illini was picked as most typical of the apron gals.

Sponsors of the club are Mrs. Lena Farrar, Miss Violette Finnell and J. D. Rice, who helped all year with the club and who manned the club's "Hit the Milk Bottle" stand at the carnival while the students attended the shows throughout the building.

**T**ALL corn farmers were into everything all year, and they always came out having given a good account of themselves. They had lettermen in every sport, a float that placed in the judging, officers of two of the leading organizations on the campus, winners in all the commercial contests, the boys' singles tennis champ and four all-stars on the Northern baseball team.

Lambert Cross won the boys' tennis title and Russell Larson was the other outstanding athlete of the club. In football Russ won his letter as a "sticky-fingered," pass-receiving end. In basketball he lettered as a forward. In baseball he was the winning pitcher, hurling five victories against one defeat.

With Larson as all-stars for the North in baseball were Russell James, Edgar Schaller, and Max Jorgenson. Other Iowans who played on that championship nine were Ernest James, Dwight Johnson, Edward Blakely and Tom Ostby, manager.

Muriel Barquist was the president of the Peppettes during the basketball season and Betty Lou Barkus was the peppette reporter during football. Lucille Shoop was president of Delta Tau, the drama club, and Jack Perry served as its reporter.

Dorothy Teel was high point girl in the May commercials. She won the shorthand artistry contest and was second in penmanship and 80-word dictation. Doris Otte, the pianist for the assembly programs part of the year, won first in championship typing and Verl Peters won the penmanship contest.

Juanita Dyke, with two firsts and a third, took high scoring honors for the club in the August commercials. Juanita won accuracy typing and championship typing and was third in spelling. Maxine Nelson placed third in accuracy typing and Lamar Ferguson was the best of the novice typists.

In December Muriel Barquist was second in 80-word dictation and third in 100-word dictation while Marjorie Rea was runner-up in accuracy typing.

Iowa's "Liberty Bell" float was the most talked about in the parade. The cab of the truck on which the float was constructed was completely covered with the huge bell of gold color that the students made. Behind this, in a throne of red, white and blue sat Uncle Sam and at his feet were two beautiful attendants. Charles McKnight was Uncle Sam and the attendants were Wilma Walton and Marvel Jane Wise. (It is interesting to learn that the club had to build three bells in order to get one the right size.) As the float proceeded in the parade a record played "God, Bless America."

## STATE CLUB

Charles Nordstrom, chief among the Duck track men, and Max Jorgenson lettered as cinder path veterans. Nordstrom, who received one of the first track sweaters ever given by C. B. C., won the Interstate Conference meet half mile race and ran on the record-setting mile relay team in the same meet. It was for the latter achievement that he was given a sweater.

Miss Nora Newman and Ira D. Summers were most active sponsors of the club, giving much attention to the activities of the group and helping in many ways to make college life, through club activity, more pleasant and entertaining.

Iowa officers are, left to right: Russell Larson, vice-president; Jean Boehm, secretary-treasurer; Kenneth Sleichter, president; and Louise Richey, reporter.

# *Kansas...*

## STATE CLUB

**N**O one person stood out in the Kansas club during the year, but the Kansans were always ready and willing to do their share to keep the interest up around the school. Their Christmas dance was a feature of the social season. It attracted the largest crowd of any state club dance.

Kansas had a beautiful float in the Homecoming parade, and although it did not place, it received high recognition from all who saw the two-mile-long spectacle. The float was of three colors of purple and had a gold lace design at the top as a background for the throne of the queen and her attendants. These girls were Jeanne Boxwell, Melba Rowh, and Shirley Houck.

Willis Utecht was the smallest member of the Duck basketball squad, but he was a regular starter through most of the season and was

Officers of the Kansas delegation were, left to right: Willis Utecht, president; Kenneth Burson, vice-president; Frances Larson, secretary-treasurer; and Mona Kirkpatrick, reporter.

awarded a letter. Glen Miller and Wayne Puls were Kansans in the football line-up and lettered as linemen. Dale Gunn, pole vaulter, Gene Harris, high jumper, lettered as track men and Utecht tossed the javelin for the Ducks.

Mary Wingfield of Kansas was one of the cheerleaders and in that position was a leader in all of the sports life. She was one of the chief assistants to the sponsors of the Peppettes in keeping the girls' pep squad active and in arranging for stunts at the games and in assembly. She assisted in the cheerleader assembly program that was one of the best all-student programs of the year. Always the Peppettes were using Kansans for important work. Frances Larson was the organization's secretary during the football season and Gwendolyn Pointer was secretary during the basketball season.

Commercial contest places won by members of the club include a first in shorthand artistry in December by Doneta Winegardner; second in 60-word dictation in May by Helen Davis; second in championship typing in August by Newton Bacon; third in 80-word dictation in May by Marjorie Cochrane; third in championship typing in May by Jerold Case and third in 60-word dictation in December by Stanley Sparrowhawk.

Stanley Sparrowhawk (who lived at the home of a Mrs. Sparrow to make friends think of the home as "the birdhouse"), was the pianist for the Student Christian Association and for Noon Day Prayer Meeting, taking an active part in both organizations. Carolyn Kessinger was pianist for the glee clubs and assembly programs.

Merle Spring, manager of the Southwest baseball team and the best first baseman in the league, was chosen on the all-star line-up by the boys of the league. He was one of the leading batters, chief among home run hitters. William Sawtelle and Martin Myers were other Kansans on the ball team.

Active among the sponsors of clubs during the year were the three who helped the Kansans. They included Mrs. Anna S. Hawkins, Max S. Phillips and Mrs. Lena Ruddy Smithson.

**D**ERBY fans from Kentucky-Tennessee were loyal to their two state area's outstanding event of the year—the Kentucky Derby—and they used this as their theme in the Spring Carnival and the Homecoming Day parade. They had a "derby" game as a concession at the carnival and their float, showing two horses pulling a chariot in which the club's queen rode, was a favorite.

The float, most colorful ever to be entered in a C. B. C. Homecoming parade, won second place for beauty. Its queens were Mary Lou Clark, Elaine Webb, and Pauline Speck. There were some interesting facts learned about this float by a Chillicothe Constitution-Tribune reporter. She found, according to a news article that appeared after the parade, that into the float had gone 25,000 staples just to hold the paper on the horse, and a half-pound of nails to build the framework for each of the horses that were almost life-size.

Aside from the derby the club almost closed down.

Charles Wright and Lenore Clemmer did win the mixed doubles in the tennis tournament and three boys were football lettermen, but activities by the club almost had to end there for the club members were fast going out on jobs as the later events of the year rolled around.

Taylor Tacket won a regular football letter as a backfield blocker and ball carrier. His brother, Turner Tacket, won a reserve letter as a lineman and Maurice Clark also was a reserve letterman in the line.

Playing on the South baseball team were Herman Smith, who did duty as fielder, baseman and pitcher, Lloyd Courtney, J. T. Beshears and Amon Turpen.

When the state club basketball season rolled around the Kentucky-Tennessee gang wanted to play, and almost every member of the club reported for practice. In games, however, the teams were hampered by the fact there were better players on the other squads, so even loyalty to the club could not win.

# *Kentucky - Tennessee...*

## STATE CLUB

When Elaine Webb was elected president of the club she became the first Kentucky-Tennessee girl to hold that office in a number of years. Almost always before that position had gone to a boy. She was one of three girls presidents during the year and she was most active in the work of her club and of the school.

The other officers of the club were also active members in club and school. Martha Clemmer assisted the loyal sponsors, Miss Mary Angie Douglas and Mort Cathey in all activities. Charles Wright was the most consistent of all club reporters in turning in news of the club's work; he played tennis and football. Ecton served his club well as secretary-treasurer.

Officers are, left to right: Elaine Webb, president; Martha Clemmer, vice-president; Walter Ecton, secretary-treasurer; and Charles Wright, reporter.

# Nebraska - Dakota ...

## STATE CLUB

**H**ERE was a club that did things. There was nothing all year that Nebraska-Dakota did not have a part, and usually that part was a big one and it was done well.

Consider this record: boys' champs in basketball, girls' singles champ in tennis, second and third high boys' in swimming, lettermen in every sport, first in May Commercials, second in August and December commercials, two cheerleaders, president of Drax, first in class "A" participation in Homecoming Day parade.

It was difficult for the other clubs to work in against Nebraska-Dakota and Cosmo in the commercial contests, just as it has always been hard to keep the northerners from winning. Helen Aratani, a Japanese girl who later took a job with Uncle Sam in Washington, D. C., to help beat the Axis, won first places in both 100-word dic-

tation and accuracy typing in May. Other winner in that meet in which the club took high honors included Dorothy McIlravy, second in spelling and third in penmanship; Lester Christianson, first in 60-word dictation; Alice Peterson, first in 80-word dictation; Bonnie Brannon, third in spelling and Robert Newcomer, third in shorthand artistry.

Newcomer came back in the August commercials to win first in penmanship and first in 80-word dictation and at the same time to get himself a national reputation. He swallowed a pen point before the May contests and failed to win the penmanship contest he was slated to take. Without swallowing a point, he won in August and the Associated Press printed the story from coast-to-coast. Bonnie Dell Brannon was third in 100-word dictation and first in spelling in August.

Lytle Christopherson, Phyllis Marie Busse, and Beverly Daniels won second place for the club in the December contests. Lytle took the 60-word dictation and Phyllis Marie the championship typing event. Beverly was second in 100-word typing.

Lettermen from the club included Louis Hernandez in track as a shot putter, Llewellyn Hubert DeForge in basketball and Robert Cerney and Larry Prince in football. G. W. Minshall, Charles Tooker and Blaine Lord were the club's players on the championship North baseball team.

Bob Pederson was a cheerleader and president of the Drax while Virgil Schlack was the Drax secretary. Johnnie Edgecombe was another of the cheerleaders and in company with Bob and the third boy cheerleader they had the unofficial top threesome on the campus. The boys were ring leaders in student activities. In addition Bob was for several months the superintendent of Empire Hall, dormitory for boys.

Blaine Lord was the second highest scoring boy in the swim meet and Pederson was third high as a swimmer and diver. Both boys placed in several events.

Jeanette Holstein downed Althier Hollinger of Missouri for the tennis title, and Hollinger was a much taller girl—and the defending champion. A hard, sure smash shot over the net from the back court kept Hollinger on the defense and brought the title to the fast-stepping Holstein.

Sponsors were Mrs. Kathryn Nunn, Mrs. Frances C. Potts, Troy Gist and Joe Causey.

**S**UCCESSFULLY defending its championship in the girls' basketball tournament was chief among the Northeast Missouri achievements of the year. It was Shirley Fay of Boomer, Mo., who paced the club to repeat in winning this crown for a second consecutive year. Shirley scored 45 points for a new state club record in the final game of the year as Nemo downed South Missouri in the playoff.

During Homecoming the club was high ranking also. The delegation in the Homecoming parade was first in appearance and the float "Business Education" entered by the club was judged as second best for originality. Mary Wilson was the queen of this float, being the graduate who stood in front of the Book of Knowledge. Holding the book open were Wanda Sue Holt and William Sallee.

David Sidwell was the club's leading boy athlete. Sidwell won one of the first four track sweaters ever given Duck cinder path aces when he ran on the record-setting mile relay team in the Interstate Conference meet. He also lettered in football as a guard, having started all but one game.

June Corben was another leading athlete, pitching for the Missouri baseball team that he managed. Oba Davis was the team's catcher and Hagan Mudd played in the field. Boise Craft was a reserve letterman in basketball.

Charlotte Peck led the girls in the summer sports by placing as second high scoring girl in the swim carnival. She won places in both swimming and diving events.

Only six club members placed in the commercial contests. Helen Henton won third in novice typing in May and Saradean Thomas took the same place in the same event in August, and Hazel Cullor ranked just above Saradean. Doris Thornburg took third in 80-word dictation, Tom Yancey second in 60-word dictation and Willeta Howerton second in championship typing in December.

Wilma Coleman represented her club in the officers of the Peppettes by serving as reporter throughout the football season.

Going back for a moment to the mention of the girls' basketball team as the champs of the series, it is interesting to know that four of the girls who helped to make that victory possible had played together through high school and had come to college together. They included the high scoring Shir-

ley Fay, Grace Stockwell, Marian Cole, and Nina Jean Taylor. They played together at Forker high school at Boomer, Mo., for two years before enrolling in C. B. C.

Northeast Missouri stole some of Oklahoma's glory when the Oklahomans gave the apron and overall dance early in the year. Dan Baxley of Nemo walked off with the title of "Overall Boy" for the evening.

Sponsors of the club, who served well throughout the year, were Miss Avonelle Venable, Miss Imogene Woolf, and Mr. M. A. Smith. Unofficial sponsor who gave much assistance to the club members was I. W. Lively, the college field man for Northeast Missouri who had enrolled almost every one of the students in the club.

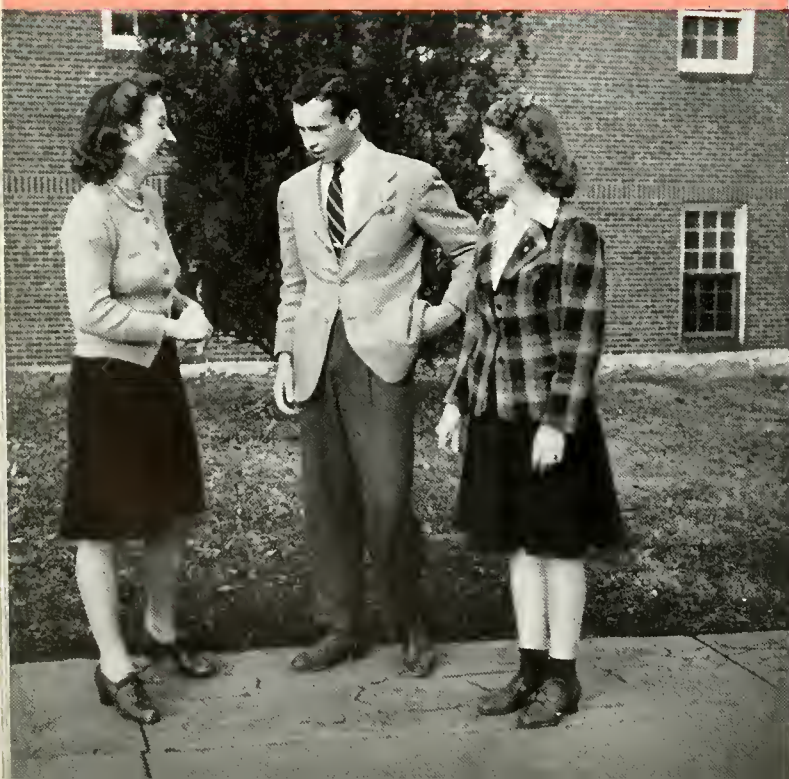

Officers are: Jimmie Meyers, president; Kathryn Lynch, treasurer; Ruth Sauer, secretary; and Gilbert Knapp, vice-president.

# *Northwest Missouri...*

## STATE CLUB

**M**AYNARD Couch of Chillicothe kept the Northwest Missouri club in the limelight. He won swimming and diving events to be the high point boy in the swim meet, he carried the ball and blocked would-be tacklers to win a letter in football and he vaulted high to win a letter in track. That was not all, either, for he played with the Missouri team in baseball and was active in whatever his club was doing.

Northwest had some other individuals who did much to keep the club's name before the public, and in the running for state club competition honors.

Jean Shiflet, who had been a cheerleader the year before, was elected president of the Pepettes, the girls' pep squad and later she won third place in 60-word dictation in one of the commercial contests.

Officers are: Joyce Watkins, vice-president; Bob Hamilton, president; and Shirley Ellis, reporter.

Tony Premer took Northwest colors to the Interstate Conference all-star team, being selected as one of the outstanding guards in the entire loop for the year. He started every game for the Ducks and made himself known as a man who could tell what the other team was going to do and then get through to break up the play quite often.

The float of the club, with Betty Carr as the queen, expressed the campus welcome to old grads returning for Homecoming. It was a float of green and white colors and on top was a large key to the Homecoming that the club members were presenting to the returning "honor class" members from 1936.

Bill Vorbeck was another athlete who did well for the club. He earned one of the first four track sweaters ever given Duck cinder path experts. Bill was a sprinter, but when called upon to run the 440 in the mile relay at the conference meet he did so with such speed that the team set a new record—a mark fast enough that it will probably not be approached by other runners for several years.

Winnings by the club in the commercial contests were not great, but several students exhibited ability in taking some points for the club. Grace Dorner won second in penmanship in May; Doris Dailey was third in 60-word dictation in May. Frances Brown was third in 80-word dictation in that same contest. Laura Johnson scored second in shorthand artistry in December.

With Couch from the club on the Missouri baseball team were Wayne Overton and Richard Lorus.

Counting for the club in the Homecoming parade was the float entered by the Livingston county students, for at Homecoming the Livingston Countians have a club of their own while all during the remainder of the year they work with Northwest. The Livingston county float, depicting Chillicothe's future airport, was third for originality. The club also earned other points at Homecoming by being given the distinction by the judges of having the second place delegation for appearance. Livingston County sponsors were Miss Nellie Voelker and Mrs. Lucille Baldwin.

The club furnished the drum major for the band—Miss Shirley Ellis, and the president of the Student Christian Association—Bob Hamilton, both officers in the club.

Sponsors of the club who worked with the students always were Misses Maurine Moore and Clara Welch, Carl Bauer and Mrs. Imogene Rottler.

**I**N spite of many difficulties of getting their float to roll past the crowds, the Oklahoma "Indian Dance" float was the most original in the Homecoming Day parade. Indians staged a war dance on an impromptu campground on the green floor of the float. Twice the car on which the camp was mounted was forced to stop because of breakdowns, but it was pulled past the judging stand and around the parade route.

On the float were Elmo Hamilton of Allen, Indian chief; Miss Imogene Scuggins of Spavinaw, princess; Miss Harriette Steckel of Pawhuska, Uncle Sam; Paul Barone of Krebs, Hitler; Meredith Waugh of Boston, tom-tom player; Leo Zakrzeski of Bartlesville, Indian guide; and Mark Cook of Okmulgee, Charles Ball of Jay, Victor Moore of Shawnee, and Richard Robins of Claremore, braves.

Herman Hall, high scorer of the Duck grid team, the punter, passer, ball carrier and signal caller—and Inter-State Conference all-star—was the best of the Sooner athletes. He starred in every game played by the Ducks and was a mainstay on offense and defense.

Baseball players for the state in the Southwest team included Dennis Edwards, G. W. Yarborough, Paul Barone, Mason Carter, Leo Zakrzeski, Richard McDonald and Richard Robins.

The club did not place in the May and August commercial contests, but won third in December. Winning for the club in the last month of the year were Wm. Jordan as first in penmanship, Meredith Waugh third in the same event and also third in shorthand artistry and Maurine Whitfield third in typewriting accuracy. Maurine had won third in shorthand artistry in August and Theda Mae Burke was second in typing accuracy and Earl Corliss second in championship typing in May.

Paul Barone was the secretary of the Drax club and served also a part of the year as a cheerleader.

# Oklahoma...

## STATE CLUB

"Aunt Sally," Oklahoma's concession at the Spring Carnival, was a real attraction that kept the crowd interested throughout the evening.

Oklahoma's hopes faded in the state club track meet when Annie Hogg fell and hurt her leg in one of the first races. Annie had been the second high point girl the year before and was scheduled to do much in the jumps and sprints.

The club had a father-daughter combination as sponsors. Dean P. E. Newell was assisted during the first part of the year as sponsor by Miss Marie Newell and the latter part of the year by Mrs. Austin Chandler, both are his daughters. Other sponsor was Mrs. Esther McDonough.

Oklahoma officers include, left to right: Charles Ball, vice-president; Mary Arnold, president; Maurine Whitefield, social secretary; and Laberta Vanderslice, reporter.

# *South Missouri...*

## STATE CLUB

**A**THLETICS kept South Missouri out in front, and it was both the boys and girls who participated in these sports events.

Loyd Sparks and Stanley Guthrie, who came from Lebanon, Mo., where they had played under Coach Bob White in high school, led the boys of the club along with Donald Kays and James Brown. The first three boys were football and basketball lettermen. Brown was assistant football coach and leading basketball scorer until he left to take a job in California. Sparks took over then as high scorer and held the place to the end of the year. Kays was also a track letterman.

Club officers are, left to right: Robert Stroud, reporter; Viola Liesemeyer, secretary-treasurer; Gertrude Schmidt, vice-president; and Copeland Whitehead, president.

John Simmons was another from the club to win his basketball letter and Rinard Roberts was another track star.

The girls' basketball team won class "B" and lost the championship to Northeast Missouri in the playoff.

Tennis found the club scoring points also, tying for first place in the tournament when Raymond Zumbuhl and Joseph O'Neal won the boys' doubles championship.

Charles Redhair, Jesse Rouintree, Jerome Fick and Paul Schramm were all players from the club on the Missouri baseball club and Schramm was selected as one of the all-stars of the league.

Robert Stroud placed for the club in the August and December commercial contests. He won the shorthand artistry in the fall and took second in penmanship in the winter. Ruth Evans placed third in championship typing, Mildred Kellerman first in 60-word dictation and Eva Brownfield second in spelling in August.

Gertrude Schmidt and Maurita Eggleston were the queens on the "Album" float entered in the Homecoming parade.

Copeland Whitehead, president of the club and one of the cheerleaders, was the top notch master of ceremonies of the student body. On several occasions he presided during outstanding assembly programs and he was the leader of the cheerleaders. Hazel Johnson was interested in the Pepettes, serving as reporter during the basketball season. Vincent Ruesler was vice-president of the Drax.

Husband and wife, Mr. and Mrs. E. M. Roberts and Miss Mabel Grace of the faculty, were the sponsors of the club.

In the state club track meet the girls outscored the boys 16 points to 7 as the club took fourth place. Margaret Miller of Malden was the high point girl of the meet, having a difficult time in winning that place over Gwendola Baker of Cosmo. The girls finished first and second in three events and both placed in other events as well.

Annually Chillicothe Business College has a number of foreign students who have come to learn American systems of business office work. These students go out to work in places of responsibility in their home countries, many of them serving as interpreters for firms doing business with the United States.

This year there were more foreign students than ever before. Most of them were from the Central and South American countries, although one came from Spain. Pictured above is a group of the foreign boys who were in college at the same time.

## *Livingston County*

Only during Homecoming do the Livingston county students have their own club. And during Homecoming this year the students made their club known. They entered a float and won with it the third place award for originality.

The float showed the Chillicothe airport of the future and was most original. The landing field was complete to a depot and runways, even the planes.

During the remainder of the year the Livingston Countians, from the home county of C. B. C., participate with the Northwest Missouri club. They furnished that club with Maynard Couch, football and track letterman, high pointer in swimming and baseball player; Jean Shiflet, Pepettes president; Bill Vorbeck, outstanding track sprinter and sweater winner, and a number of other leading club members.

Miss Nellie Voelker and Mrs. Lucille Baldwin are the sponsors of this club during Homecoming week. It has no officers since the officers from Northwest Missouri serve these students.

**D**UCK basketball was a disappointment to followers, and a mystery team to the fellows who figure statistics. The team had what is usually considered a high scoring average for the season, but won only one game. It was always able to score well, but the op-

ponents scored better. It would seem that the defense was weak, but that failed to be true throughout the whole year. C. B. C. lost games on the offense. Ducks shot more often than any opponent they played, lost the ball on passing.

# *and* LETTERMEN

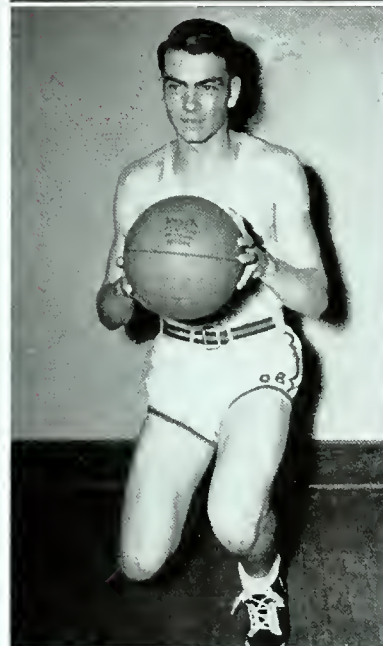

LETTERMEN for the Ducks included ten boys, eight regulars and two reserves, coming from six states. Not one of the boys was a letterman from any previous year, but five of them had been "C" winners in football during the fall.

Lloyd Sparks, who with Stanley Guthrie, came from Lebanon, Mo., was the high scorer of the squad. He played all three positions during the season, but was best under the backboard of the opponents, getting the ball on the rebound. Llewellyn DeForge of Valley City, N. D., was second high scorer, playing center during the season. Russell Larson of Anamosa, Iowa; Willis Utecht of Marysville, Kansas; and Joe Novota of Moweaqua, Illinois, were forwards. John Simmons of Malta Bend, Missouri, was a starting guard who alternated with Guthrie in the back position.

Reserve lettermen, because they enrolled too late to start the season and could get in for only a part of the year of play, were Boise Craft of Sampsel, Missouri, and Jack Rugh of Huntley, Illinois. Craft was a center and Rugh a sure-shot forward.

# and Ministers

CHILLICOTHE churches have an important place in Duck college life. Every church in the city gives recognition to the college students. There are Sunday school classes in many of the churches for just the college young people. The young people's organizations in the churches welcome the visiting students. Pastors are advisors for students of their denominations who have come away from home to attend school.

There is a warm affection between the churches and C. B. C. The ministers are regular visitors at the college. They speak in assembly, address various clubs and organizations, assist in programs the students are carrying to completion and are interested spectators in student work.

This year there have been more Chillicothe ministers than almost any year since C. B. C. has been founded. Several churches made changes in pastors and both the old and new religious leaders have been in C. B. C. assemblies. The Elm Street Methodist, Baptist and Christian all changed pastors and the Episcopal church lost its pasor but had not selected another when the Dux was printed.

C. B. C. is non-denominational but assists in religious programs all during the year. Many of the members of the faculty are leaders in the churches of the city.

## **Church School Groups Just a Part of Religious Training Offered by Churches**

**H**UNDREDS of C. B. C. students attend Sunday School and church at the various churches of the city. These pictures were taken on different Sundays and show the crowds that were in attendance on those days. Miss Ruth Linville and J. M. Gallatin are teachers of the Baptist classes; Mrs. Allen Moore teaches at the Elm Street Methodist; Wm. Olenhouse teaches at the First Methodist; Mrs. J. G. Beaird and Mort Cathey at the Christian church; the Rev. Fred Stein at the Lutheran and Mrs. James Graham at the Presbyterian.

## CHRISTIAN ASSOCIATION

MRS. FRANCES POTTS   CARL MCINTIRE   FRANCES OTT

### S. C. A. SPONSORS

THE Student Christian Association includes young people of all denominations and holds regular weekly meetings on Monday evenings. At these sessions youth problems are discussed and visiting speakers are heard. The group also sponsors entertainment evenings during each month and fosters attendance at all of the churches of the city.

The Baptist Student Union, now in its third year on the campus, works through the local Baptist church as the connecting link between the church and college. It has an annual membership of more than 200 and sponsors many student activities during the year.

### NOON-DAY PRAYER MEETING

Noon Day Prayer Meeting was started in August of this school year by the Baptist students, but it is open to young people of all denominations. It is conducted and sponsored by the young people themselves without adult leadership.

### MORNING DEVOTION

Morning Devotion is a fifteen minute period of prayer and song held each day at 7:30 o'clock. It is an interdenominational meeting with its leadership from groups of students from all churches. It has no leader, all assistance being voluntary.

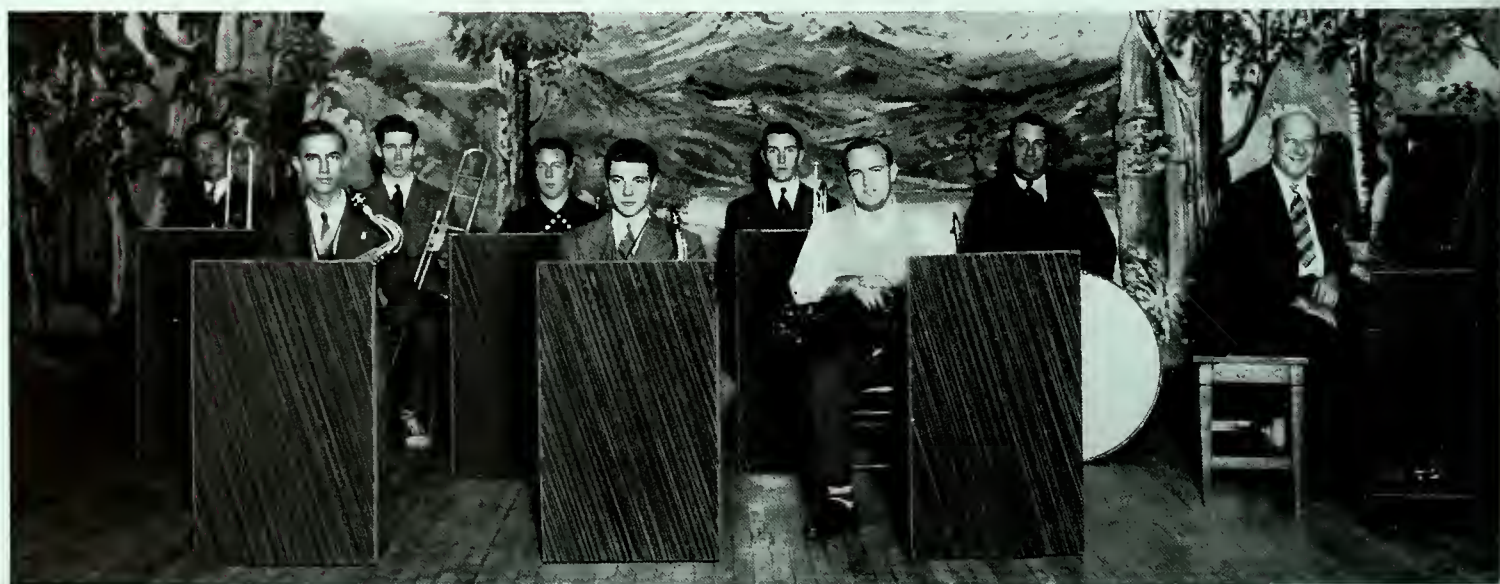

# C. B. C. Quacketeers

Every other Friday night throughout the school year is a dance night in the gymnasium, and the C. B. C. Quacketeers, under the direction of Les Novak, furnish the music. Most of the Quacketeers are students at the Duck Pond and their type of music is that which the young musicians know is preferred by collegiate dancers.

LES NOVAK  
Director

State clubs act as the sponsors for the dances, and each tries to out-do the other in an original kind or type of dance. The three big dances of the year are at Homecoming, when the Homecoming Ball is held; at the close of the football season when the Purple Ball is held and at the close of the basketball season when the Gold Ball draws the crowd.

Pictured here are some scenes from C.B.C. dances during the year. At the top left is the fall reception crowd and just below are the dancers at the Cosmo patriotic dance. At top, right, are Dan Baxley and Jean Gaffney who were selected as Overall Boy and Apron Girl at the Oklahoma Apron and Overall Dance. The small picture at left center, and the one below it, go together. They show the winners in the Halloween dance. Left to right are Miss Nora Newman, Kathleen Jacobs, Margaret Walker and Larry Coulon. Right center is a picture from one of the spring dances. In sport clothes, robes, formals and suits came the students to the "Come As You Are Dance." South Missouri gave the "Come As You Want To" dance that is pictured at bottom left. Bottom right is looking through the streamers at the Purple Ball.

# *Indebtedness...*

THE staff of the 1941 "Seasonal Dux" is indebted to a number of individuals for the help and assistance given during the year, and to the business concerns whose co-operation has made the publication of the book possible.

To the Artcrafts Engraving Company of St. Joseph, and especially to Mr. William Guenther, president, and Mr. Joe Sturek, art director, must go the initial words of appreciation. Working out the most expanding budget the Dux has enjoyed was made possible by Mr. Guenther while Mr. Sturek worked with the editors of the annual in preparing the layouts for this book. The men in the production room of the engraving firm have done a fine job of making the engravings used herein.

Printing of the book has been in the hands of the Combe Printing Company of St. Joseph. The staff wants particularly to thank Mr. W. E. Royse, vice-president, and Mr. V. F. Commans, printing department foreman, for their help. Their co-operation and suggestions have made possible the colorful presentation in paper and ink which the book enjoys.

Covers for the Dux were designed and made by the Molloy Company of Chicago with Mr. Bob Renn handling the work for the college.

Principal photographer for the Dux, taking all of the individual student pictures and many of the groups and special pictures, was Leo Moren of the Moren Studio in Chillicothe. Both at the college and in his own studio, Mr. Moren has been a valuable aid to the publishers. The Anderson Photo Company of Kansas City and Frank Gress of Brookfield have been other professional photographers who have assisted. Several students have pictures included also. These are James Watson, Harry Snyder, Robert Stroud and Kathleen Jacobs.

No words can express to members of the school faculty and staff the appreciation of the Dux editors. Mrs. Anna S. Hawkins, alumni secretary; Mrs. Imogene Rottler, who is in charge of records; T. E. Lail and Bob White of the athletic department; W. S. Faver and Ralph Moore of the boarding department and Miss Frances Ott of Model Office have been invaluable in assistance and all of the others employed at the school have had a vital part in aiding the publication. President Allen Moore and Vice-President Roy Moore were most co-operative and valuable members of the editing group.

To every student pictured between these covers there must also go a word of thanks from "Ye Eds" for you have been fine to work with and most helpful in arranging to help get the pictures taken and information collected.
